Maintenance & improvements Request for the Woodman Alumni Center from Foundation:

Restroom Remodel/Refresh – Refresh finishes & fixtures of upper level men & women’s restrooms.

This is another request originated through the help of Facilities which would cover the remodel of one set of men & women restrooms on the upper level of our building including updates to ADA accessibility, with a base bid around \$25,000. In addition to that base bid, we would like to consider 2 alternatives:

- 1) Refresh finishes & fixtures on the second set of men & women restrooms on the upper level so they match, bid around \$17,500.
- 2) Refresh finishes & fixtures in men & women’s restrooms on the lower level to include updates to ADA accessibility, bid around \$15,000.

Some additional costs may include the engagement of a plumbing engineer & drawings required by the state, at minimum of the base bid around \$1,500 - \$3,000 depending on the work needed. We would like this to be added to the agenda for consideration by the Board at the next scheduled meeting.
