VISION, MISSION, VALUES & GOALS

VISION

To deliver quality recreation, fitness and leisure programs and services that connects every student.

MISSION

Provide the Wichita State University community with diverse recreational and wellness activities that will promote a healthy and active lifestyle.

VALUES

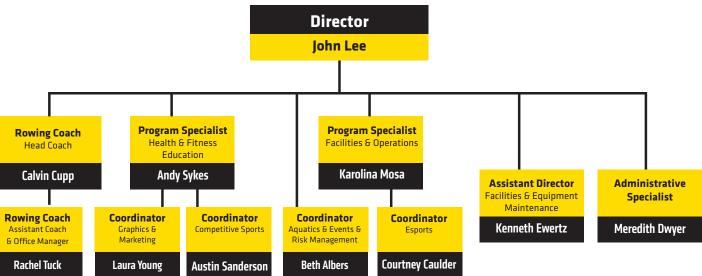

At Campus Recreation we value...

- ► The well-being of the campus community
- ► Teamwork
- Creating and seizing opportunities
- Student development and applied learning
- ► Fostering an inclusive environment and celebrating differences
- Transparency in our decision making

GOALS

- **Goal 1:** Insure our facilities provide a safe and welcoming environment.
- Goal 2: To continue to be a leader for recreation, fitness, and leisure experiences for the WSU campus community.
- Goal 3: To provide innovative student development opportunities through our SHOCKS Recreation program.
- Goal 4: Be a department that reflects the evolving diversity of our society.
- Goal 5: Provide exciting and fun recreational and fitness opportunities.
- **Goal 6:** To promote a lifelong exploration and development of the mind and body.

OUR TEAM Organizational Chart

Meredith Dwyer

FROM THE DIRECTOR

This academic year brought us many challenges due to COVID19. Campus Recreation was not able to offer many of our programs and services. Each month seemed to bring us new challenges on how to offer programming. During this time Campus Recreation did adapt and offered on-line recreational opportunities including Esports, Group Exercise classes and weekly wellness information hosted by student staff. I was very proud of our professional and student staff this year and how they handled this unprecedented crisis.

Campus Recreation also completed a new Strategic Plan that will move us forward over the next three years. Student Staff development, facilities, and programming for a diverse population was the major emphasis for this plan.

I want to note a few accomplishments from Campus Recreation:

Pulling for Youth Horizons (rowing program for "at risk" teens at the River Vista Boathouse)

- ▶ This is a new program where "at risk" teenagers are given an opportunity to be a part of a team and learn how to row. 18 young men are participating in our pilot program.
- ► Campus Recreation teamed with City of Wichita Parks and Recreation and Youth Horizons.

Michael Phelps Foundation Grant (Swimming Lessons)

- ► The Michael Phelps Foundation Grant provided learn-to-swim, healthy living and goal-setting curriculum through the Boys and Girls Club of America.
- ► Campus Recreation teamed with the Wichita Boys and Girls club to offer this program to "at risk" kids.
- ▶ The aquatics staff taught Safety Around Water to 230 kids, kindergarten to 12th grade!

WSU Rowing

- ▶ Over 40 Student Athletes represented WSU on the rowing team. The team did not have a regatta for almost two years which is a testament to the student athlete's dedication.
- ▶ The Rowing team hosted their first home regatta out of the River Vista Boathouse. The event was live streamed also for the first time!

Intramural Sports

- ▶ While participation numbers were down due to COVID the staff worked with the Health & Safety Committee to offer numerous sporting opportunities in a safe environment.
- ▶ The need for in-person events seemed more important than ever during this time and I am proud of the intramural staff for working hard to offer WSU students programming.

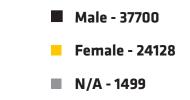

New Tennis and Pickleball Courts

- ► A plan was made to resurface four old tennis courts.
- ▶ When the project is finished there will be two tennis courts and four pickleball courts. The futsal court and basketball courts will remain.

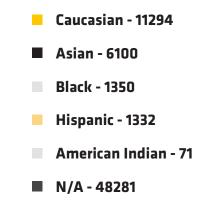

While it was a challenging year it was also a rewarding year because our staff was creative on how they handled the pandemic and still offered valuable programs and services to the campus community.
