ADMINISTRATION AND FINANCE

Office of the Vice President

TO: Wichita State University Community

FROM: Paul Werner, University Budget Director

Date: July 31, 2013

The FY 2014 Annual Operating Budget contains the plans for the allocation of funds for the fiscal year which began July 1, 2013. Planned expenditures by fund for each department are included within the document. **Actual expenditure of budgeted funds is dependent upon actual collection of the level of tuition revenues for FY 2014 as well as receipt of the estimated restricted use income where appropriate.**

General Use Funded Budget for FY 2014

Wichita State University's general use budget is comprised of revenues from the State General Fund (tax revenues) and General Fees Fund (tuition).

State General Fund Decrease

For Fiscal Year 2014, the Governor and Legislature appropriated a total State General Fund (SGF) budget of \$64,664,547. This represents a decrease of 2.9% compared to the original State General Fund appropriations for Fiscal Year 2013. A summary of the changes to the SGF appropriations is as follows:

- Removed base funding for classified employee longevity payments in the amount of \$163,831. This reduction will require the university to fund the longevity payments from other sources.
- Reduction in operating expenditure funding of 1.5%, or a \$1,054,119 decrease.
- Salary cap reduction, resulting in a decrease in funding in the amount of \$868,125.
- Restore FY 2013 reduction, and reduce the FY 2014 rate, for Death and Disability insurance premiums. The net change results in an increase of \$34,170.
- Increase the debt service payment for the aviation research equipment at the National Institute for Aviation Research in the amount of \$2,174, which follows the debt service schedule for these bonds.

General Fees Fund (Tuition) Increase

Tuition rates were increased by \$13.90 per credit hour for undergraduate students, both resident and non-resident. Tuition rates for graduate students, resident and non-resident, were increased by \$18.75 per credit hour. The percentage increase for all resident students was 8.0%; the increase was approximately 3% for non-resident students. If the level and mix of enrollment remains stable, the increase will generate a total General Fees Fund budget of \$74,713,905. The increased dollars for FY 2014 were allocated for the following:

- Fund faculty salary increases related to promotions in academic rank and post professor incentive review.
- Fund a 4.0% merit pool to increase salaries for faculty and benefits-eligible unclassified professional staff in FY 2014.
- Cover increases in fringe benefit expenditures.
- Offset losses of funding from the State General Fund for classified employee longevity payments, as well as operating expenditure and salary cap reductions.

Special thanks to Michel Winters and Dana Hess in the University Budget Office for their assistance in the entire budget process. Please call us if you have questions concerning the document.

Wichita State University
FY 2014 Annual Operating Budget
Budget Terms and Definitions

Funding Terms and Definitions:

State General Fund

Appropriations made by the Governor and Legislature from state tax revenues.
For FY 2014, WSU has two unique State General Funds:

- | | |
|--|-----------|
| 1. State General Fund-Operating Expenditures | 1000-0003 |
| 2. State General Fund-Aviation Research Debt Service | 1000-0603 |

The State General Fund-Operating Expenditures is the appropriation for general university operating expenditures including both salaries and fringe benefits and OOE. The State General Fund-Aviation Research Debt Service is the appropriation to fund the debt service on the bonds issued for NIAR laboratory equipment to be used specifically for aviation research.

General Fees

Revenue derived from the collection of student tuition. Expenditures from general fees may be made for salaries and wages and other operating expenditures.

General Use Funds

The combined revenues from state tax dollars (State General Fund) and tuition revenues (General Fees).

Restricted Fees

Special revenues that must be used solely for the specific purpose collected. Restricted fees include revenues for workshops, music events, gifts and grants for teaching and research, investment income, student fees, etc.

Budget Terms and Definitions**

Funding Terms and Definitions: (cont.)

Student Fees

Revenue collected from students at the time of enrollment to cover the costs of student-related activities. The FY 2014 amount of student fees per credit hour is \$37.55.

Educational Opportunity Fund

The Educational Opportunity Fund was established to provide funding for academic scholarships and fellowships for both graduate and undergraduate students; need-based grants, including awards to students with special expenses such as child care or groups of students who have been historically under-represented in higher education; salaries or grants for students participating in public and community service programs; and salaries for students employed in campus student service programs such as tutoring, day care, and peer counseling.

Wichita State University
FY 2014 Annual Operating Budget
Budget Terms and Definitions

Expenditure Terms and Definitions:

Classified Salaries

Salaries paid in the classified service under the Kansas Civil Service Act. Base salary levels and annual increases are determined on a state-wide basis by the Kansas Department of Administration based on the outcome of the budget appropriation process. The Board of Regents does not have authority to establish the level of salary increases for these employees.

Unclassified Salaries

Salaries for faculty, unclassified professional staff, lecturers, adjunct faculty, and graduate assistants. Personnel under this category are under the auspices of the Board of Regents. Annual increases may be awarded on a merit basis resulting from the outcome of the budget appropriation process. For FY 2014, a merit pool of 4.0 percent for filled faculty and benefits-eligible unclassified professional positions was allocated to university units.

Student Salaries

Salaries paid on an hourly basis to enrolled students who perform technical, clerical or custodial services to the campus.

Shrinkage

The amount of savings the University must generate from employee turnover. The FY 2014 shrinkage rate is 2.28% of budgeted salary and fringe benefit dollars. The total amount budgeted for shrinkage in FY 2014 is \$2,584,443.

Other Operating Expenditures

Amounts budgeted for all University operating expenditures except salaries and fringe benefits and capital improvements. Referred to as OOE, major examples of expenditures include equipment, supplies, library acquisitions, travel, communications, printing, postage, etc.

Fiscal Year 2014 Annual Operating Budget

Instruction Program
Program Code 42000

Instruction Program Definition

The Instruction Program includes expenditures for all activities that are part of the University's instruction component. Expenditures for organizational (departmental) research and public service that are not separately budgeted are included in this program. The Instruction Program excludes expenditures for academic instruction when the primary assignment is administration. An example is the salary of an academic dean. However, expenditures for organizational (departmental) chairpersons and administrators for whom instruction is the primary role are included. The Instruction Program is further divided into two sub-programs: General Academic Instruction (42010) and Summer Session (42015).

Wichita State University
Fiscal Year 2014 Annual Operating Budget

Research Program
Program Code 45000

Research Program Definition

The Research Program includes all expenditures for activities specifically organized to produce research, whether commissioned by an agency external to the institution or separately budgeted by an organizational unit within the institution. Subject to these conditions, the program includes expenditures for individual and/or project research as well as that of institutes and research centers. The Research Program is further divided into two sub-programs: Institutes and Research Centers (45210) and Individual or Project Research (45220).

Fiscal Year 2014 Annual Operating Budget

Public Service Program
Program Code 46000

Public Service Program Definition

The Public Service Program includes funds expended for activities established primarily to provide services beneficial to individuals and groups external to the institution. These activities include community service programs and non-credit instruction. Included in this program are conferences, institutes, general advisory services, reference bureaus, public broadcasting, consulting, community education, training grants, and other similar services to particular sectors of the community. The Public Service Program is further divided into three sub-programs: Community Services (46320), Public Broadcasting (46340) and Community Education (46350).

Academic Support Program
Program Code 43000

Academic Support Program Definition

The Academic Support Program includes funds expended to provide support services for the institution's primary missions: instruction, research, and public service. It includes the retention, preservation, and display of educational materials (libraries, museums, and galleries); media (audio-visual services); information technology; academic administration (including academic deans but not department chairpersons); personnel development; and separately budgeted support for course and curriculum development. The Academic Support Program is further divided into six sub-programs: Libraries (43041), Museums and Galleries (43042), Audio Visual Services (43043), Computing Support (43044), Ancillary Support (43045) and Academic Administration (43046).

Student Services Program Definition

The Student Services Program includes funds expended for offices of admissions and the registrar and activities with the primary purpose of contributing to students' emotional and physical well-being and intellectual, cultural, and social development outside the context of the formal instruction program. It includes expenditures for student activities, cultural events, student newspapers, intramural athletics, student organizations, intercollegiate athletics, counseling and career guidance and student aid administration. The Student Services Program is further divided into six sub-programs: Student Services Administration (44051), Social and Cultural Development (44052), Counseling and Career Guidance (44053), Financial Aid Administration (44054), Intercollegiate Athletics (44056), and Student Recruitment, Admissions, and Records (44057).

Institutional Support Program
Program Code 41000

Institutional Support Program Definition

The Institutional Support Program includes expenditures for central executive-level activities concerned with management and long-range planning for the entire institution. They include budgeting, legal services, fiscal operations, human resource management, support services to faculty and staff, and activities concerned with community and alumni relations. The Institutional Support Program is divided into four sub-programs: Executive Management (41161), Fiscal Operations (41162), General Administration (41163), and Public Relations and Development (41167).

Physical Plant Operations Program
Program Code 96000

Physical Plant Operations Program Definition

The Physical Plant Operations Program includes all expenditures of current operating funds for the administration, supervision, operation, maintenance, preservation, and protection of the institution's physical plant. It includes expenses normally incurred for such items as janitorial and utility services; repairs and ordinary or normal alterations of buildings, furniture and equipment; care of grounds; maintenance and operation of buildings and other plant facilities; security; disaster preparedness; environmental safety; hazardous waste disposal; facility rental; facility planning and management; and central receiving. The Physical Plant Operations Program is further divided into five sub-programs: Physical Plant Administration (96002), General Maintenance (96003), Utilities (96004), Security (96005), and Special Projects (96006).

Auxiliary Enterprises Program
Program Code 48000

Auxiliary Enterprises Program Definition

An auxiliary enterprise exists to furnish goods or services to students, faculty, or staff, and charges a fee directly related to, although not necessarily equal to, the cost of the goods or services. The distinguishing characteristic of an auxiliary enterprise is that it is managed as an essentially self-supporting activity. Examples are residence halls, food services, parking, and student health services.
