

Visitor Parking

As easy as V+3!

During the enforcement period (7 a.m.-5 p.m. on weekdays when classes are in session), visitors may park **without a permit for 3 calendar days during each semester** in the lots indicated in blue above.

Visitor-accessible parking lots are **marked with prominent "V" signage**. On your fourth visit to campus during a semester, visitors need to purchase an ePermit or use paid parking in the WSU Parking Garage (indicated in yellow above).

Go to wichita.edu/visitorparking for more information about ePermits.
