Shockers Innovate!

The WSU South offers general education classes, professional programs, Shocker Studios classes, WSU Tech classes (*please visit www.wsutech.edu for more information on WSU Tech classes*) and virtual reality research.

Elementary Education B.A. Degree Completion Program with classes in late afternoons and early evenings. This program lets you keep your daytime job!

Students can now complete their **B.A. Psychology Major** at WSU South.

Take our classes to complete your Women's Studies Minor.

WSU Tech students can complete their **Shocker Pathway** at WSU South as well.

We have a diverse student population including high school guest students, regular university students, returning adults, and seniors. This mix gives our students a unique learning environment to interact with our faculty and other students. High school guest students will benefit from their learning experience here and make their transition to university life that much easier!

Upcoming Move:

In June 2018, WSU South classes will start at its permanent home at 3808 E.

We are proud to extend Wichita State University learning opportunities and resources to surrounding communities with the diverse population of students.

The new WSU South facility features the most advanced video/sound production technologies and equipment; newly renovated classrooms with the latest classroom technologies; virtual reality research facility; popular WSU Tech programs and Shocker Pathway classes; and WSU Bookstore.

Students can expect the same outstanding student services as well as friendly and helpful staff as we always had. Enroll with us to enjoy our premium learning environment, study areas and spacious hallways with artistic murals, and free parking. WSU South will be concealed-carry restricted and gun-free.

Students attending WSU Tech classes must be registered with WSU Tech.

For WSU Tech class list and enrollment, please visit ww.wsutech.edu
