World Trade Council of Wichita, Inc.

& Center for International Business Advancement (CIBA)
Wichita State University

February 21, 2019

presented by Dr. Usha Haley

Usha Haley (PhD, Stern School of Business, NYU) has lived and worked on 5 continents. She has over 283 publications and presentations including her book, Subsidies to Chinese Industry, which was headlined twice in the Economist, reviewed in Strategy+Business as "important" and "influential", and China findings described by JP Morgan as "with no equal in terms of scope, breadth and impact". She has consulted and testified on Chinese FDI for the US-China Economic and Security Review Commission; testified before the US Senate on Shuanghui's takeover of Smithfield Foods, the most important case on FDI in a decade; testified twice before the Committee on Ways and Means, including on federal legislation, the Non-market Economy Trade Remedy Act whose findings were incorporated into US regulation (HR 1229); presented her research several times before the US International Trade Commission, US Department of Commerce and US Trade Representative; was nominated to join the US delegation on the Steel Dialogue with China; and advised on the US-China Joint Commission on Commerce and Trade. Her research on Chinese subsidies is the basis of 3 pieces of EU anti-dumping regulation. Competitive research grants she received as Principal Investigator include currently from the National Science Foundation for international technology development. Usha chairs the World Trade Council of Wichita and additionally serves/served on 9 corporate, non-profit and governmental planning/advisory boards. Her expertise has been profiled over 500 times in the international media including multiple times in the New York Times, Wall Street Journal, Financial Times, Economist, Washington Post, PBS, and NPR. Major research awards include the Academy of Management's Practice Impact Award for scholarly impact; Economist's "thought leader" on emerging markets; Emerald Publishing's Lifetime Achievement Award for contributions on Asia Pacific business; American Made Hero for supporting US manufacturing; and, Glorious India Award for being an outstanding acad
