

**WSU Department of Aerospace Engineering
Palazola & Benmoussa Scholarship (P&B Scholarship)
Financial Need Essay Information**

Financial need is traditionally determined by the FAFSA; however, there may be cases where the need exists but is not reflected in the FAFSA. Please prepare and attach, to your application package, a one-page (or less) Financial Need Essay that addresses the following:

*From a financial standpoint, what impact would this scholarship have on your education?
Most importantly, state any special personal or family circumstances affecting your need for financial assistance.*
