To Whom It May Concern:

I am writing this letter to show my support for moving the following CSD courses to the Department of Modern and Classical Languages and Literatures (MCLL) in the Fairmount College of Liberal Arts and Sciences (LAS), contingent on the approval of a new program proposal for Signed Language Interpreting:

<b>CSD 270</b>	American Sign Language I
<b>CSD 370</b>	American Sign Language II
<b>CSD 470</b>	American Sign Language III
<b>CSD 480</b>	American Sign Language IV
<b>CSD 490D</b>	Intro to Signed Language Interpreting
<b>CSD 518</b>	Deaf Culture
<b>CSD 520</b>	ASL Nonverbal Communication
<b>CSD 740C</b>	Selected Topics: American Sign Language
<b>CSD 420BA</b>	ASL in Health Care Settings: Introduction to HealthCare Interpreting
<b>CSD 420BB</b>	ASL in Health Care Settings: Medical Terminology

The Minor in Signed Languages will also be included in the transfer of courses.

When the new course subjects are determined, we will need to cross-list both **CSD 270** (American Sign Language I) and **CSD 518** (Deaf Culture) because these two courses are required for the CSD Major.

I am working with faculty from the Fairmount College of LAS to develop this new program proposal.
