

Proposals for Senate Discussion/Vote from Rules Committee

1. The Faculty Affairs committee really needs NTT representation. Discussed last Fall and returned to Rules. New first read:

Currently

Composition: 10

9 **Probationary or Tenured** Faculty Members, one chosen from each of the Senate divisions

Office of the Provost (ex officio, non-voting)

Proposed

Composition: 10

9 ~~Probationary or Tenured~~ Faculty Members, one chosen from each of the Senate divisions

Office of the Provost (ex officio, non-voting)

Note: Rules discussed the need for diverse representation and will review our own charges to determine how best to make that a general charge for filling standing committee vacancies and selecting interims. This will come to the Senate when we have proposed language.
