Campus Climate Launch

Thursday, Feb. 8 | Noon - 2 p.m. | Beggs Ballroom, Rhatigan Student Center

University faculty and staff are invited to attend the Wichita State University Campus Climate Launch on Thursday, Feb. 8 at noon in the Beggs Ballroom, Rhatigan Student Center. During this time a presentation of the findings and themes from the most recent campus climate survey followed by round table discussions. These discussions will center around how to work together to improve our campus climate. There will be an opportunity towards the end to sign up to continue to participate in this ongoing work.

Lunch will be provided. Please let us know if you are attending at www.wichita.edu/campusclimatersvp
