Department of Corrections
700 S. Hydraulic
Wichita, KS 67211

Corrections Officer:

A Corrections Officer provides direct supervision and services to adults or youth in a variety of correctional settings. They are instrumental in assisting clients make positive behavior change that impacts public safety. As a Corrections Officer, you are responsible for fostering an environment where clients have the opportunity to learn, practice and demonstrate positive communication and behavior change by role-modeling prosocial attitudes and beliefs.

Minimum of three earned college credits ~~with at least three credit hours~~ in adolescent development, psychology, criminal justice or related subject.

Intensive Supervision Officer I (ISO I):

An ISO I provides direct services to adult or juvenile clients involved in the criminal justice system who are assigned to probation supervision by the 18th Judicial District. Direct services include professional assessment, intake case planning, supervision based on risk level, casework and evidence-based programs to help adult or juvenile clients be successful in maintaining compliance with court orders and supervision goals within the Department of Corrections.

Four-year degree and at least one year of related experience required.

Refer to the job postings at careers.sedgwickcounty.org for more information on job functions, competencies, qualifications and testing/screening requirements. **Applicants must be at least 21 years of age.**
