Announcements

Wichita State University has chosen Linnea GlenMaye as Associate Provost in the Office of Academic Affairs and Research. She will start the position on June 12, when Associate Provost, Keith Pickus, become the interim Provost. GlenMaye has been a member of the faculty of the School of Social Work since 1998 and has served as the director of the school for the past seven years. GlenMaye said she is excited about the opportunity to build on these experiences to serve the wider university community as Associate Provost.

Dr. Brien Bolin will step into the position of interim Director of the School of Social Work effective June 12, when Linnea GlenMaye becomes the Associate Provost. Bolin has been a member of the faculty of the School of Social Work since 1999 and has served as both the MSW Program Coordinator and BSW Program Director as well as the interim Director of the Center for Teaching and Research Excellence at Wichita State University.

(Former) Director's Corner Linnea GlenMaye Associate Provost

As the song says, "It's hard to say goodbye." As most of you know, I have accepted the position of Associate Provost at Wichita State University. This is a wonderful opportunity for me personally and professionally, and I look forward to learning and growing in that role. And so it is with excitement, but tinged with sadness, that I say goodbye to my role as Director of the School of Social Work. It was my privilege to serve as director during a time of tremendous growth in enrollment, faculty, and curricular offerings. Our new faculty members - Fred Besthorn, Lisa Hines, Karen Countryman-Roswurm and Shaunna Millar - are contributing in wonderful ways to the School. Our "seasoned" faculty - Orren Dale, Tim Lause, Kyoung Lee, Sherry Chapman, Natalie Grant and Sabrina Perez Glatt - bring vision and stability in this time of rapid growth and change. Our administrative staff - Chris Darnell and Trisha Wenrich - are second-to-none. I am pleased and proud to offer Brien Bolin my congratulations and support as he steps into the role of Director of the School of Social

linnea.glenmaye@wichita.edu

Work! He will have the support of a great faculty and staff, along with the support of our dynamic and active School of Social Work Advisory Board.

As I look back, I am so very proud of the achievements of our faculty, staff, and students. Achieving reaccreditation of the MSW Program in 2007 was exhilarating and exhausting! Even with that accomplishment, continuing assessment of the MSW Program led to curriculum changes that were fully implemented in Fall 2010. Likewise, the BSW Program has a new curriculum that is now being implemented in Fall 2011. These changes have strengthened both programs and lead the way toward the reaccreditation activities that are in full swing, with reaccreditation due for both programs in June 2013. The changes we created and those we survived have made us stronger, and I look forward to following the continued success of the School under Dr. Bolin's leadership. Although I am leaving the School of Social Work, my commitment to Social Work remains. I expect to hear great things about the School, its students and graduates, and the social work community in years to come!

- Linnea GlenMaye

Director's Corner

Brien Bolin

Director of the School of Social Work

Summer sun shines brightly on the School of Social Work.

Today, June 21st is the official start of summer. Today marks the summer solstice. On this day there are more hours of light than dark. It is a day of celebration for many. It is also a day of transition. Just as the University and School of Social Work transition to new leadership, I anticipate a positive future for social work education at Wichita State University.

For example, the School of Social Work faculty are shining during the summer of 2011:

- * Dr. Orren Dale has agreed to undertake the role of MSW Program Coordinator and is completing the revisions on his textbook this summer.
- * Natalie Grant is scheduled to defend her dissertation in July and will be teaching an undergraduate pre-session course that has been supported by a Tilford Incentive Grant.
- * Dr. Kyoung Lee is collecting data on the MURPA grant to study "Bereavement, Coping and Depression of Older Korean Adult Immigrants."
- * Sabrina Perez Glatt successfully taught the Animal-Human Connection course and is making progress toward a certificate program in animal assisted social work as well as serving as a grant reviewer for the Attorney General's office in Topeka, Kansas.
- * Shaunna Millar continues to locate new practicum opportunities for our students, while successfully teaching an elective on Biblio-Interventions for Social Work Practice.
- * Dr. Lisa Hines is returning from a symposium, "New Connections: Increasing Diversity of Robert Wood Johnson Foundation (RWJF) Programing." This was an invitation only symposium for scholars in the area of health disparities. Dr. Hines is also working on an online Introduction to Social Work course to be offered in the fall of 2011.
- * Dr. Lause is working to complete a paper on the use of school of social work websites as tools for advocacy.
- * Sherry Chapman has been elected to the Board of the Kansas Association for Play Therapy and is teaching the course on Clinical Interventions with Children and Adolescents.
- * Dr. Fred Besthorn is inspiring students in an insightful elective on Spirituality and Social Work Practice while completing several papers for publication and presentation.

brien.bolin@wichita.edu

- * Karen Countryman-Roswurm is finalizing her dissertation proposal for her doctorate in Community Psychology.

I am proud of the entire faculty in the School of Social Work as they work with me in this time of transition. I know they will continue to shine through their accomplishments in the areas of scholarship, teaching, and community service.

Finally, the reaffirmation of the BSW and MSW programs will emerge as the fall semester begins. The School of Social Work faculty and staff will be undergoing reaffirmation in the coming year, with a site visit expected in the spring of 2013. We will be working on the self-study and all the other aspects of preparing for re-accreditation this year. The self-study will be due in August of 2012 for both the BSW and MSW programs. We cannot do this without the support and assistance of the practice community, our students, and the entire faculty and staff of the School of Social Work. This year will be both challenging and exciting. The activities of the faculty and reaffirmation of the BSW and MSW programs are reasons to be optimistic and celebrate our accomplishments as we continue to grow as a program and a community of social workers.

Field Notes

Sabrina Perez Glatt & Shaunna Millar

Director & Associate Director of Field Practicum

sabrina.perezglatt@wichita.edu
shaunna.millar@wichita.edu

We are having a busy summer with the WSU School of Social Work practicum program!

Several of our advanced MSW students have begun their placements in the summer semester, and others in both the BSW and MSW programs are continuing to interview with you in the community in order to find the "right fit" placement opportunities that will meet the needs of our partnering organizations as well as the learning needs of our students.

One of our needs in the practicum program

right now is for **off-site field instructors**. Due to organizational and agency changes throughout the area, some of our long-time, committed social work field instructors have had to place their focus on the current job needs, and have less opportunity to support students in the field. We would encourage you to email either shaunna.millar@wichita.edu or sabrina.perezglatt@wichita.edu if you have the opportunity to serve as a field instructor for a student in another agency. You must be a licensed social worker in the state of Kansas, and willing to meet with a student a minimum of 2-3 times per month.

What are the benefits to providing off-site field instruction? Check out our [online brochure](#) to read more about the opportunity to give back to the profession, develop confident and competent social workers, and earn CEU's in the process.

We are so thankful for our wonderful supporters across the state who continue to add to the incredible experiences of our students! Without this type of assistance, our program could not continue to develop and grow in the way that it has. Our field instructors are amazing resources for social work!

Student Accomplishments

Bob Funcheon - MSW Graduate

New graduate hopes to help soldiers with PTSD

Four years after his son, Alex Funcheon, died in Iraq, Bob Funcheon has graduated with a Master's in Social Work from Wichita State University. He hopes to help men and women coming back from the Middle East, and those who were in Vietnam, deal with the effects of Post-Traumatic Stress Disorder.

Thanh Vo - BSW Graduate

Wichita State student finds motivation after accident.

Thanh Vo does clerical work in the offices of Independent Living Resource Center. Vo is a client of the center and she is also interning there as part of her undergraduate work for Wichita State University. She is graduating with a BA in Social Work. She was in a car accident in Sep-

tember 2004 that injured her spinal cord and left her without use of her legs.

SOSW - Student Organization of Social Work Tim Hunter, President

I would like to say thank you to Dr. GlenMaye for all of her work and support she has given the School of Social Work and SOSW. I would also like to wish the best to Dr. Brien Bolin for the time he will be spending as Interim Director.

This summer Sherry Chapman, Pam Oliver and I have been placing scheduled events on the SOSW calendar on [OrgSync](#) such as the Veterans Homeless Stand-down and United Methodist Open Door Food Distribution Center. We will have many more events to come.

Around the middle of July, look forward to an email as we will be looking for volunteers to help SOSW win the banner contest at Convocation this fall semester.

I would like to personally invite every student in the BSW program and those students interested in the social work program to sign up for SOSW. We would not be a club without energetic and courageous future social workers that want to help those in need. Be that social work student that gets involved!

SWOGS - Social Work Organization of Graduate Students Susan McCoy, President

The Social Work Organization of Graduate Students would like to congratulate Dr. GlenMaye for becoming Associate Provost!

SWOGS has been busy with an early start on recruitment. While some are enjoying the HOT days of June, a SWOGS officer has been on "Operation Summer Recruitment" for new mem-

bers. This has proven to be successful.

A Summer mixer is in the planning for July. If you are interested in SWOGS, planning of community service projects, have ideas or would like information, contact [Susan McCoy](#).

School of Social Work Summer Electives

ScWk 730I - Clinical Interventions with Children & Adolescents - 3 credits - CRN 38340 - Sherry Chapman

July 5 - July 28; Tuesday, Wednesday & Thursdays; 1:00 pm - 4:15 pm; west campus

Class Closed

This class provides an overview of advanced social work techniques in working with children and adolescents.

ScWk 870 - Clinical Assessment for Advanced Generalist Practice - 3 credits - CRN 38074 - Instructor TBD

July 5 - July 28; Tuesday, Wednesday & Thursdays; 5:30 pm - 9:00 pm; west campus

The course uses a biopsychosocial perspective to understand problematic patterns of functioning identified as diagnoses in the DSM-IV. Students critically examine the DSM-IV as a basis for social work assessment and learn its use within an advanced generalist practice perspective.

ScWk 610P - International Social Work - 1 credit - CRN 38338 - Dr. Kyoung Lee

July 8 & July 9; Friday & Saturday; 9:00 am - 4:00 pm; main campus

This course provides an overview of micro and macro practice outside of one's own culture and internationally that will facilitate skill development in cross-cultural assessment and intervention at the individual, group and community level.

ScWk 610W - Social Work Practice with the Aging - 1 credit - CRN 38339 - Dr. Kyoung Lee

July 22 & July 23; Friday & Saturday; 9:00 am - 4:00 pm; main campus

This course focuses on the psychosocial, biological and environmental aspects of current social work policy and practice with the aging population. Examines critical topics related to the elderly such as loss, care giving, mental health, sexuality, elder abuse, Medicare and alternative housing needs.

Fall Electives

ScWk 340 - Human Sexuality - 3 credits - CRN 11266 - Karen Countryman-Roswurm & Margot Breckbill

August 23 - December 13; Tuesdays; 4:30 - 6:55 pm; main campus

This course provides a forum for information and discussion on topics relating to physical, psycho-social, and cultural components of human sexuality. Includes female and male anatomy and physiology, sexual attributes and roles, sexual problems, alternate life styles, birth control, values and social problems related to sexuality.

ScWk 832 - Social Work Practice in the Schools - 3 credits - CRN 11559 - Judy Ebersole

August 25 - December 15; Thursdays; 4:30 - 6:55 pm; main campus

The overall purpose of this course is for students to integrate an analytic understanding of the role of social workers, an appreciation of social work education, societal values underlying their role and an understanding of systematic intervention in the school using a variety of intervention modalities. The course focuses specifically on the roles of social workers in the schools including provision of direct service, consultation, advocacy, program development and evaluation as well as liaison functions with families and community systems. Due to the nature of the work, it is also important for the students to integrate an understanding of child development, familial and school crises that affect child development and the importance of the social worker/parent relationship.

ScWk 870 - Clinical Assessment for Advanced Generalist Practice - 3 credits - CRN 15349 - Diane Bidwell

August 23 - December 13; Tuesdays; 7:05 - 9:45 pm; main campus

The course uses a biopsychosocial perspective to understand problematic patterns of functioning identified as diagnoses in the DSM-IV. Students critically examine the DSM-IV as a basis for social work assessment and learn its use within an advanced generalist practice perspective.

Interested in taking one or more of our elective courses, but already have your degree?

You don't need to be one of our students to take our elective courses. People often take our courses for professional or personal development or licensing requirements. If you aren't currently a WSU student, you will need to be admitted to WSU as a non-degree seeking student at either the undergraduate or graduate level.

Courses numbered between 500 and 799 can be taken for either undergraduate or graduate credit. In order to take courses numbered 800 or above, you must be admitted to the Graduate School. Be aware that if you take a course for undergraduate credit, you will not be able to apply that as graduate credit or toward a graduate degree in the future.

The application process is simple.

Applying as an undergraduate non-degree bound student:

Submit the simple 2-page application form with the application fee to WSU Admissions. You can download the form or apply online on the WSU Admissions website at www.wichita.edu/admissions. Enter the major code for non-degree bound "K10B" on the application form.

You do not need to submit transcripts to be admitted as an "open admission" non-degree bound student. Once you accumulate 15 credits under that status, you will need to have transcripts sent to WSU to become a regular non-degree bound student.

Applying as a graduate non-degree bound student:

Submit the simple 1-page Graduate School application and the application fee to the WSU Graduate School. You can download the form or apply online on the Graduate School website at www.wichita.edu/gradschool.

Have official transcripts sent directly from your universities to the Graduate School. (If the last school you attended was WSU, they will already have your transcripts and you do not need to request them.)

Graduate School offers two levels of non-degree admission:

Non-Degree Status A (major code G46S) allows you to take any graduate level courses numbered 500 and above. The requirements are a bachelors degree from an accredited university and a minimum 2.75 GPA over the last 60 graded credit hours of course work.

Non-Degree Status B (major code G66S) allows you to take graduate level classes numbered 500-799. The only requirement is to have a bachelors degree from an accredited university. There is no GPA requirement.

Volunteer Opportunities

Kidzcope, formerly known as Three Trees, provides peer support groups for grieving children and families, and we nurture the expression of feelings by utilizing creative communication through reflective listening, play and expressive arts. In addition to the new name, we have also decided to branch out into a new fundraising event, a 5k walk and fun run so eloquently named, A Walk To Remember.

We are in the need of volunteers for us on the night of June 23rd during the walk/run. We will be having a carnival-like activity after the walk/run for the participants and I will be needing quite a few people to man tables, etc.

For more information, contact Kym Birkner at (316) 263-3335.
