

**The ShiftSpace Gallery Critical Analysis Worksheet** is a way for classes and community members to engage with the gallery.

Wichita State's **ShiftSpace Gallery** is located off the main lobby of **Groover Labs** at 334 N. St. Francis Avenue in downtown Wichita, Kansas. Its hours are 8 a.m.–5 p.m. Monday–Friday. The gallery is also open from 6–9 p.m. on the first Friday of each month for Wichita's First Friday gallery crawl.

---

1. What is the title of the exhibition?
2. Using the gallery sheets or labels on the wall, who are some of the artists showing in the exhibition?
3. Using the six roles of art from Mark Getlein's book, *Living with Art*, write about one individual artwork present in the gallery and how it fit within these roles (in one to two paragraphs)

OR

Write 2-3 sentences about how an individual work aligns with each of these six roles.

(Each of these roles may not apply to ALL works)

The six roles of art:

- 1) Create places for some human purpose.
- 2) Create extraordinary versions of ordinary objects.
- 3) Record and commemorate.
- 4) Give tangible form to the unknown.
- 5) Give tangible form to feelings and ideas.
- 6) Refresh our vision and help us to the world in new ways.
