

HCSC 1/30/23

Opening:

- Welcome back!
- Messages from Dean Engber and Dr. Chelsea
 - HNRS 101/102 zero-credit portfolio courses
 - Centered around understanding Honors on a deeper level
 - Asks that students complete a series of events/classes/programs each semester
 - Culminates in a reflective project that all involved Honors students contribute to
 - Has been proposed to Faculty Council
 - Zero or one credit or optional? (Or fall for zero and spring for one)
 - More than one required event?
 - Honors curriculum
 - Designed to make it easier to understand
 - Still maintains the flexibility that Honors advertises, while also having a solid structure
 - Would combine the Honors minor with the current tracks
 - General Assembly Honors
 - Not great attendance in recent years

- Should it continue to be an event?
- Was created in a time when there was likely not as much communication as the College was first being established
- Night of the College combined with General Assembly?
- Get the word out with tabling, speaking to Honors classes, etc.

Weekly Updates:

- Ambassadors (Natasha)
