- The GeoBlue Student Insurance Plan is required for international travel. The total cost is based on the total number of days the student is abroad. As of July 2024, it cost \$1.46 per day for a maximum \$100,000 coverage and \$100 deductible. 150 days (5 months) will be approximately \$219. - Airfare cost was provided according to Orbitz as of July 2024 with travel dates of January 6, 2025 – June 2, 2025. This should provide a good estimate to cover the airfare expense.

**\* Tuition and Fees are based on the Resident rate for 12 undergraduate credit hours at Wichita State University. Students will pay their current tuition rate during the study abroad program based on their residency and any specific college/department requirements.**

**Disclaimer: All costs are estimates and subject to change. Some universities will require payment for accommodations in advance as well as other fees. In order to apply for visas, students may be required to show proof of funds, such as bank statements, to live in a host country. Please note extra travel expenses are not included. Budget accordingly.**
