#### Required Associated Fees

- All above expenses are dependent on MAUI Consortium Exchange program. Student pays fees based on Wichita State University for tuition. Cost of living is based on the host university.
- The LewerMark Student Insurance Plan is required for international travel. The total cost is based on the total number of days the student is abroad. As of July 2022, it cost \$1.16 per day for a maximum \$100,000 coverage and \$100 deductible. 152 days (5 months) will be approximately \$180. There are different coverage plans available at different prices.
- Personal expense estimates are provided by Financial Aid for students living on the WSU campus, which will be similar during a study abroad program.
- Financial aid and scholarships usually applies for US students.

**\* Tuition and Fees are based on the Resident rate for 12 undergraduate credit hours at Wichita State University. Students will pay their current tuition rate during the study abroad program based on their residency and any specific college/department requirements.**

Depending on location of MAUI placement, these additional expenses could vary.

- Students can see MAUI website for estimates and research airfare and visa fees for their location.
- Please note extra travel expenses, cell phone, internet, etc. are not included. Budget accordingly.
