

WELCOME TO WICHITA SCHOLARSHIP FOR COMITÉ PARAGUAY KANSAS STUDENTS

Welcome to Wichita Scholarships for Fall 2024

- Available for students applying through Comité Paraguay Kansas (CPK).
- Scholarship amount \$5,000 (split between two semesters).
- It is a one-time, nonrenewable scholarship that can only be used during the student's first year at Wichita State University.

Requirements

- Minimum GPA 3.0/4.0 or its international equivalent.
- Must have WSU admission to an undergraduate program with English proficiency.
- Must be an international student. U.S. citizens and permanent residents are not eligible.
- Must attend more than a 16 week session to be eligible.

How to Apply

- Apply for admission at www.wichita.edu/ApplyInternational.
- All CPK applicants will be automatically considered for the scholarship.

Global Select Scholarships/Tuition Waivers

- Can CPK students apply for a Global Select Scholarship?
Yes. The Global Select Scholarship actually provides a partial waiver of nonresident tuition for students entering a degree-bound program. However, because you will already be receiving a full nonresident tuition waiver through CPK, you cannot receive Global Select at the same time. If for some reason you are not able to retain your nonresident tuition waiver through CPK, your Global Select tuition waiver will automatically begin – ensuring you will also have at least a partial tuition waiver during your entire undergraduate program at Wichita State.
