### WSU Transfer Students Should Remember:

#### **Dual Advising**

WSU strongly suggests that potential transfer students involve their WSU advisor in program planning. Sign up for dual advising here:

**WSU Admission Requirements** 

If you are a transfer student with 24 credit hours or more, you must:
Have a minimum 2.00 cumulative GPA (on a 4.00 scale) on all previous college work. If you are a transfer student under age 21, with fewer than 24 credit hours, you must: Have a minimum 2.00 cumulative GPA (on a 4.00 scale on all previous college work and meet the freshman requirements. Some academic colleges at WSU have an additional higher transfer GPA requirement for admission. Visit <a href="https://www.wichita.edu/admissions/undergraduate/qa.php">https://www.wichita.edu/admissions/undergraduate/qa.php</a>

WSU Transfer Credit Acceptance
It is the policy of WSU to accept all
credits – with the exception of remedial
coursework – earned at a postsecondary institution accredited by one
of the U.S. regional accrediting
agencies. Each academic college or
department within WSU determines
how those credits apply toward a
particular degree program. Sometimes
there can be a significant difference
between what transfers and what
counts toward a degree, especially if
the courses are vocational in nature.

#### **Graduation Requirements**
