

2 + 2 Agreement Between

Hutchinson Community College and Wichita State University

For transfer to WSU College of Applied Studies Bachelor of Arts in Sport Management

The purpose of this 2+2 agreement is to provide a mutually beneficial relationship between Hutchinson Community College (HutchCC), Wichita State University (WSU) and students desiring to complete an Associate of Art degree following a Sport Management transfer pathway at HutchCC and a Bachelor of Arts degree in Sports Management at WSU. This agreement outlines the necessary courses that can be taken at each institution to fulfill the requirements for an Associates of Art degree at HutchCC following a Sport Management transfer pathway and a Bachelor of Arts degree in Sport Management at WSU. The purpose of this agreement is to provide a clear path for students to follow to set them up for a smooth transition to WSU. The student will complete their first two years at HutchCC and a subsequent two years at WSU. WSU agrees that if a student completes the list of courses outlined in the attached curriculum guide for the Associates of Art degree following the Sport Management transfer pathway at HutchCC they will have fulfilled and satisfied the requirements for the first two years of the Bachelor of Arts degree in Sports Management at WSU.

This agreement does not remove the requirement for students to meet the general admission requirements and any additional specific degree requirements outlined in the WSU catalog.

Both institutions will work with students to provide advising, guidance and additional student support services throughout their time at each institution.

Each institution agrees to coordinate with one another when curriculum changes occur that will affect the curriculum outline of courses noted in the attached curriculum guide for both degrees. Should curriculum changes occur at either of the institutions it will be their responsibility to notify the other institution and initiate an amendment or revision of this 2+2 agreement.

Each institution will individually market and promote this agreement.

This agreement can be terminated at any time with a minimum of 12 months notice from one institution to the other. Should this agreement be terminated at any time, all students currently participating in the agreement will be afforded an applicable and appropriate amount of time to complete the degrees.

This agreement shall be reviewed every five years to determine whether it should continue, be revised or terminated.

This agreement shall commence on the date of the last completed signature. Both institutions shall receive a copy of the signed agreement and shall keep it on file and implement for the term of the agreement.

This agreement is subject to revision or cancellation by either WSU or Hutchinson Community College if necessary.
