Approval of Butler and WSU 2 + 2 Program of Study in Social Work

REPORT:

Butler and WSU Faculty, Advisors, and Administrators have recently worked to set up a mutually agreeable, highly complementary 2 + 2 program of study in Social Work. The program includes a list of equivalent Butler and WSU courses by term for the first two years at Butler; a list of WSU courses to complete upon transfer to the four year institution; and an articulation agreement. All three documents are attached. Because the comprehensive program clearly identifies requirements, options, equivalencies, and parameters, it will benefit many students for years to come.

RECOMMENDED ACTION:

The Administration respectfully requests approval of this program.
