

Collegiate Men & Women: Central Oklahoma vs. Oklahoma City & Wichita State
April 28, 2012; Oklahoma River

Submitted by Andy Derrick.

Distance: 2000m

Conditions: No wind for first few races with slight cross wind picking up for the 4+s races

Comments: UCO V8+ was leading by several seats of open water at 1050 mark when hit a log, lost the rudder, and was forced to stop. OCU and WSU were nearly even at the time. OCU was forced to steer away and lost a few seats on WSU to avoid collision with UCO.

Results

Men's Racing

	MV8+:
OCU	6:22.13
WSU	6:42.97

	MF8+:
OCU	6:32.28
WSU	6:52.32
