# **Angela Paul**

Research and Instruction Services University Libraries Instruction and Outreach Librarian

Earlier this year, Angela Paul was elected to serve a two-year term as President of Women of Wichita State University. We asked her to share her experiences and thoughts about WWSU, specifically why she chose to join and what she enjoys best about being a member of our organization. Below is what she had to say:

"I joined the organization in 2005 specifically to join the book club. My supervisor at the time, Gwen Alexander, started the interest group then when it was part of the Women's Association, and persuaded me to help her host the club in Ablah Library. I love reading, and greatly enjoyed the opportunity to help Gwen get the club started. The club encourages me to read many types of fiction and nonfiction (although I have to admit I have a wide comfort zone) and appreciate some books more only because I am able to hear why other people love them.

I decided to run for president of WWSU because I am passionate about keeping the organization an integral part of University life. It was getting difficult to find people to serve in leadership positions, so I knew that I was needed. It is important to be connected to faculty and staff all over campus, and I want to do what I can to help WWSU find its niche in campus life. Hannah is planning some fun, virtual activities this fall to keep faculty and staff connected. I sincerely hope our efforts this semester will increase our membership and strengthen our sense of campus community."

**Q.** Would you say you're more of an extrovert or introvert?

A. Extrovert, no question.

**Q.** Are you into podcasts or do you only listen to music?

A. Pumpkin Spice Latte launch day at Starbucks, because I'm a product of my generation!

**Q.** Which makes a better pet? Cats or Dogs?

**A.** I'm definitely a cat person, because I've always lived in apartments. If you have the space for a dog to get their exercise, dogs are great, too!

### **Interest Group News**

WWSU is keeping the health, safety, and wellbeing of our members in mind when planning for WWSU Interest Groups during the COVID-19 pandemic.

**Book Club** is currently meeting online via Zoom.

**All other groups** are on hiatus while Interest Group Chair Members give thought to alternative options to inperson gatherings.

How long have you been a member of WWSU?

I don't remember exactly, but it's been at least 15 years.

Why did you choose to join WWSU?

Several years ago, I joined both the Council of University Women and the Women's Association. I joined CUW to meet women from across campus and in different fields, so I would learn more about WSU and be exposed to the similarities and differences across our experiences. I joined WA because of the interest groups; it helped me meet even more people in Wichita, which was helpful since I had moved here from CA.

What do you like best about being a member of WWSU?

I like being in Book Club because it makes me read a wide variety of books and I get to hear other people's perspectives.

Summer is better than winter. Agree or disagree?

Agree, but Fall is the best season. I love Halloween (see below).

What was the last thing you read?

The Diary of a Bookseller and Confessions of a Bookseller by Shaun Bythell. He owns a used bookstore in Scotland. I really enjoyed both books.

Are you into podcasts or do you only listen to music?

I am not into podcasts, although I do sometimes listen to Life Lab Notes (because a friend of mine does it). I prefer music, and still use my very old iPod.

Do you have a favorite holiday? Why or why not?

Halloween. Black cats. Cider. Pumpkins. Pretending you are someone (or something) else for a while. It's all wonderful.

WSU Foundation, Director of Prospect Research WWSU Scholarship Chair & Lunch Brunch Co-Chair

I have been at Wichita State for almost 25 years, having worked at the Alumni Association for 10 ½ years and now at the foundation for just over 14.

I have been a part of CUW and Women's Association for a long time, having served in the past on both boards and president of CUW for 3 years. I continue to be a part of WWSU because I feel it is important for the women of Wichita State (both current and retired) to have an avenue to talk and empower each other. I also feel strongly in our purpose to provide scholarships for women who are still searching for their place in life. I joined CUW to get to know other women on campus when I needed that network. I stay a member to help others.

PS. I totally love pineapple on my pizza (so does my dog). Just finished binge-watching Shameless with my husband. Our time off is spent at the lake – I am an August baby who loves summer!

### Sandy's Ooey-Gooey Pumpkin Spice Muffins

#### Ingredients:

- 1 box Spice Cake mix (I like Duncan Hines)
- 1 bag cinnamon chips (there may be other brands, but I always get Hersey's)
- 1 can pumpkin (not pumpkin pie filling; just straight pumpkin)
- ½ cup of water
- Paper muffin cups
- Cream Cheese Frosting (optional)

#### Directions:

Set the oven to 350. Mix all ingredients together in a large mixing bowl. Place muffin cups in muffin tins and scoop filling into each cup. Bake for 15 to 18 minutes (I always do it at 15 because I like them gooey). Let cool and enjoy! Top it off with some cream cheese frosting for a little something extra!

Yields 12 to 15 muffins

Human Resources, Training Coordinator WWSU Newsletter Chair & Publicity Chair

How long have you been a member of WWSU? I'm going on 2 years. However, I had been interested in joining when I started at the University in 2014, I just didn't have enough information at the time to make the leap. That's why I feel it's so important to spread the word about our organization!

One of my co-worker besties joined, and she talked about it all the time! She sent a personalized message to her female co-workers expressing why she thought we would enjoy joining as well. I finally made the leap and have never looked back!

What do you like best about being a member of WWSU?

Getting to know the other members! Everyone is so amazing, fun, and inspiring! I'm hoping maybe that will all rub off on me.

Which makes a better pet? Cats or Dogs?

I'm honestly more of a cat person, but I love dogs, too! (I'm actually allergic to both!) I have two lil' littermate puppers, named Sugar & Munchie.

Summer is better than winter. Agree or disagree?

Agree. While I love fall/winter festivities, I'm highly annoyed at having to wear socks, shoes, coats, etc. every time I have to go outside.

What is your favorite way to spend a day off?

If I had my way, I would spend my days off sleeping, eating, and shopping! I'd also enjoy a day alone in bed binge-watching a good show.

What is the best vacation you ever took and why?

I was fortunate to be able to go to Maui in 2010, and I hope to someday go back! I left a piece of my heart there. It's my home away from home. My happy place...

What was the last thing you read?
In full? (Or at least not a children's book read to my 2-year-old or 5-year-old?)
Strengths-Based Leadership:
Great Leaders, Teams, and Why People Follow. Strengths is my jam! I love talking about it and could all day! My Top 5
Strengths are Empathy,
Connectedness, Intellection,
Positivity, and Maximizer.

Would you say you're more of an extrovert or introvert?

Some people are surprised by this but I'm definitely 100% introvert.

Come see what's new on our website!
