FRIENDS AND FOOD

“One cannot think well, love well, sleep well, if one has not dined well.”
-Virginia Woolf

Rumor has it that Taylor Swift will be coming down to Wichita to join the Friends and Food group for dinner the next time she's in KC for a Chief's game. Not a Swiftie? Then maybe you want a break from all the NFL Traylor coverage during Sunday night football. Either way, join us on October 29 for our next Friends and Food get together!

Friends and Food is one of several interest group options open to members of WWSU, but it just might be the most delicious! We typically meet the last Sunday of each month, trying many new restaurants in between some of our tried and true favorites. But no matter the location, the company is truly what makes the group. Julia Child spoke true when she commented that, “people who love to eat are always the best people.”

Our next dinner is Sunday, October 29 at Redrock Canyon Grill. Join the group and email list to receive reminders and to RSVP. November and December are combined into one special holiday dinner at Newport Grille, then we will resume our normal schedule in January.

THEATER

The WSU School of Performing Arts is presenting A Chorus Line the first weekend of November. Twyla Hill is organizing a group to see the Sunday Nov. 5 show, which will be at 2pm in Wilner Auditorium. Tickets are \$20. If you are interested, please email Twyla at Twyla.Hill@wichita.edu.
