President's Letter

Hello WWSU family! We've had a great year of events and fundraising. Thanks very much for your support. The board is not completely changing next year, but there are a few positions I need to fill: New Members Chair, Newsletter Chair, Publicity Chair, and Social Chair. These are focused tasks, and therefore not as time consuming as an elected position. You probably don't even need to attend board meetings, if that is important to you. Please lend your support! If you did not write your name on the ballot, please write to Twyla or me about your interest in helping. Also, thanks for showing your support for WWSU by participating in the elections.

Are you retiring this summer? Just send us a current email address so we can keep you on the mailing list. There are a few events this summer for you. Retirees can even join the board! Speaking of our upcoming events, I'd like to encourage you to bring your spouses/partners, other family members and friends to events we hold at public venues. The more the merrier! Hope to see you this summer.

SOCIAL
ACTIVITIES

February 27

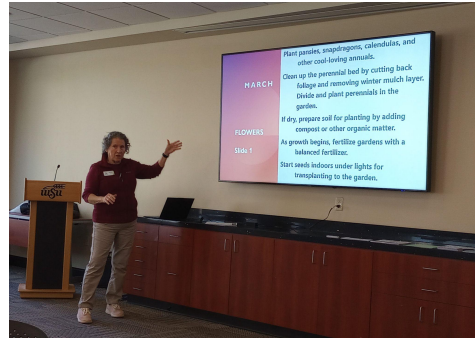

Scholarship Dinner

Angie met one of our
23-24 recipients,
Rachel Valentine.

WWSU will offer two \$2,000
scholarships to WSU
students for the 24-25
academic year. Deadline for
app's was April 15. Watch
for our announcement!
