## **Parking Instructions for Beech Wind Tunnel Customers**

**1 July 2019**

- There are now only two (2) visitor parking spots available. Please contact the Beech Wind Tunnel staff if it *necessary* to bring more than two vehicles to campus for the wind tunnel test.
- The Beech Wind Tunnel reserved parking spots are in Lot 6 as shown on the maps below.
- Please snap a pic of the rear of your vehicle prior to walking to the wind tunnel entrance (so we can electronically file your parking permit when you arrive).

Enter Here for Beech Wind Tunnel.  
Turn right after entering – main  
door is just down the hall.

Park in one of these two spots with a Red  
sign labeled:  
*Red ePermit Required*
