

NSF SBIR Project Pitch Webinar

➔ NEW SBIR REQUIREMENTS FOR NSF PROJECT PITCHES

Learn How to Make Your NSF SBIR Project Pitch - Pitch Perfect

NO COST TO ATTEND | REGISTRATION REQUIRED

NSF's new Project Pitch requirement gives quick feedback on whether your project meets the agency's program objectives of supporting innovative technologies that show promise of commercial and/or societal impact and involve a level of technical risk. All of this has to be accomplished in three pages that determine if your proposal can move forward.

Attend this webinar and learn from national experts, BBC Entrepreneurial Training & Consulting, how Project Pitch works and how to address your project's Technical Innovation, Technical Objective and Challenges, Market Opportunity and Company and Team in a succinct, compelling pitch.

➔ **SEPT 18, 2019 | 10-11am | WEBINAR**
