Class Assignment #1: Research Paper
Fall 1989 to Present
Due Date: TBD

Your assignment is to write a research paper on the popular group Milli Vanilli. Explore the various cultural attributes that make them so popular with young people today: the big hair, the acid washed pleated jeans, and most importantly, their authenticity.

Papers must be neatly typed on a type writer. Alternatively, one Apple IIe computer will be made available to you all to share in the library during business hours. I don't know how to use a computer, so please do not call me with questions!
