Teaching Resources for YOU!

arc21

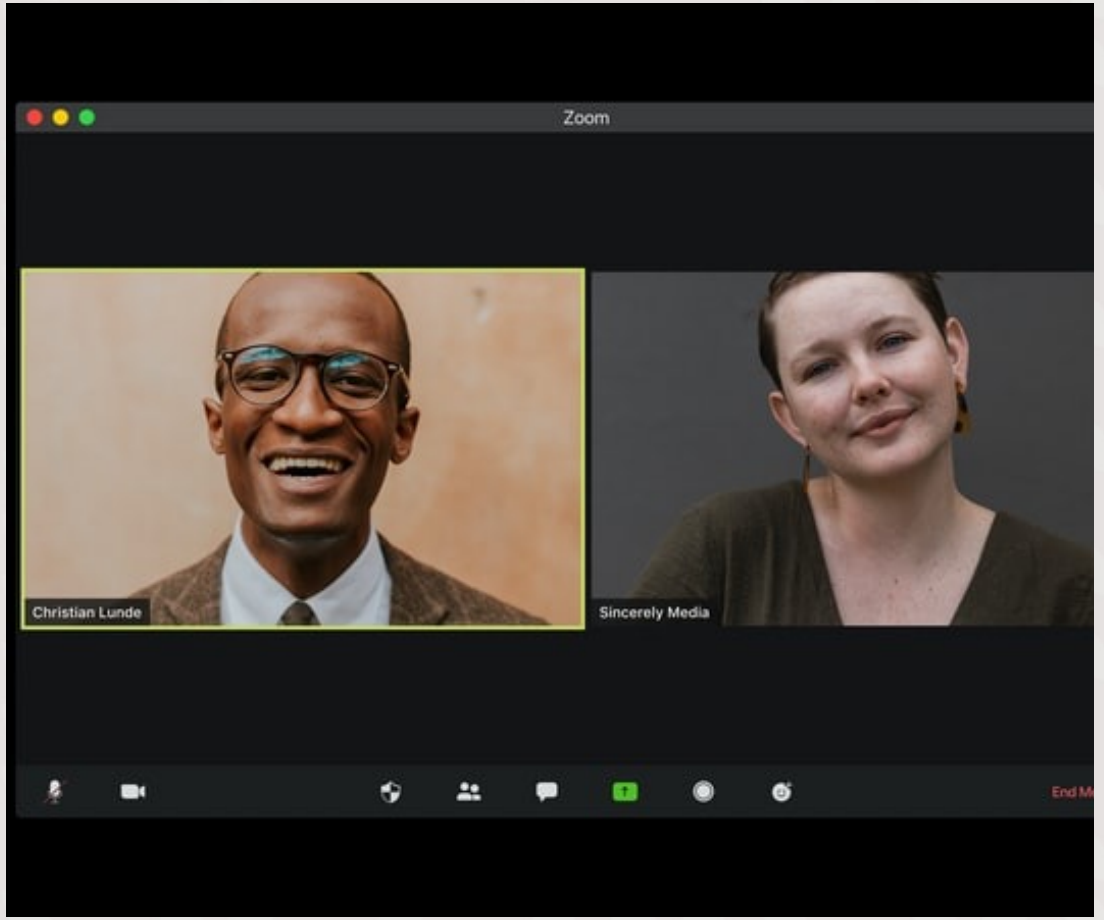
Agenda

- What OIR has to offer
  - Labs
  - Website and TT
  - “Lit Review”
  - ARC
  - Consultations
  - Department meetings
- What Blackboard has to offer
  - Ultra training for free!
  - Community

arc21

OIR Labs

- Meet via Zoom twice each week
- Come-and-go from 1:00-3:00pm Tuesdays and Wednesdays
- Run all year, including summer and between semesters. If WSU is open, labs are too
- Grab the updated Zoom link from: https://Wichita.edu/idalabs



arc21

The OIR Website

- Can be found at https:Wichita.edu/OIR
- Nearly 400 pages of training content
- The key: “In This Section”! Or the “hub”
- Color coded
- Also archives “Teaching Today,” which you can subscribe to also

arc21

The “Lit Review”

- Part of the OIR webpage
- We list articles of interest (please share links!)
- Books are nearly always in the WSU Library
- White papers are very useful

arc21

All three ARCs

- Academic Resources Conference
- Three times a year
  - August: big onboarding
  - January: deeper dives
  - May: expert
- Technical, pedagogical, and philosophical sessions
- Lives on in recordings
- Short URL: Wichita.edu/ARC21Aug

arc21

Consultations

- We request that people start with email to OIR@Wichita.edu and/or labs
- Consultations for complex technical problems, design support, and supported online program design

arc21

Department meetings

- Available all year to come to departmental or college meetings
- Can suggest training topics or customize training to your needs

arc21

Blackboard Ultra training courses and videos

- Blackboard training is on our website:
  - Old: https://Wichita.edu/BbTraining
  - Ultra: https://Wichita.edu/BbUltraTraining

The Blackboard community

- Get Ultra training from Blackboard for free!
- Join the Blackboard Community: https://community.blackboard.com
- Click on “Product Engagement” and then “SaaS and Ultra Product” and sign up for “Ultra Course Seminar”
