¹ Online Distance Education includes only 100% internet courses (IIE & IIS); section data based on end-of-term fiscal year data; student credit hours and student counts based on fiscal year census data.

² Student full-time-equivalent (FTE) is based on undergraduate students at 12 hours and graduate students at 9 hours for fall and spring, and 6 hours in summer for both undergraduate and graduate.

³ Credit hours are rounded to the nearest integer.

¹ Online Distance Education includes only 100% internet courses (IIE & IIS).

² Excludes non-enrolled online courses for remainder of table.

⁴ Student full-time-equivalent (FTE) is based on undergraduate students at 12 hours & graduate students at 9 hours for fall & spring, & 12 hours for domestic undergraduate students & 6 hours for international undergraduate students and all graduate students

⁵ Tuition includes course tuition and online fee (excludes exemptions, waivers and college fees); online salary is FY salary prorated based on online course hours of total hours taught; 2023 dollars based on Bureau of Labor Statistics' CPI-U income deflator.
