SECTION II

PROCUREMENT TYPE, PROCESS, SELECTION, AND AWARD

2.1. Procurement Type: WSU's competitive procurement types include: (1) Sealed Bid; (2) Negotiated Bid; and (3) Simplified Acquisitions. The type of procurement for this RFP is noted on the RFP Cover Page.

2.1.1. A Sealed Bid process includes: (1) a solicitation to bid; (2) publication of solicitation; (3) Proposals submitted under seal by Bidders and the Proposals are not opened or reviewed until the Closing Date; (4) Proposals are reviewed by WSU after the Closing Date and are generally evaluated without discussion without the Bidders; and (5) WSU awards the work to the "Responsible Bidder" whose Proposal is determined to be the most advantageous to WSU based on the neutral criteria established by WSU.

2.1.2. A Negotiated Bid is a more flexible bidding procedure that includes the receipt of Proposals and permits negotiations between WSU and Bidders. This process usually affords the Bidders an opportunity to revise their Proposal before award of a Contract to account for changes in scope of services or goods, timelines, or value-added changes to a project. "Negotiation" includes discussion, persuasion, and alteration of initial assumptions and positions, and give-and-take may apply to price, schedule, technical requirements, type of contract, or other terms of a proposed contract. "Best and final offers" are frequently required under the Negotiated Bid procurement.

2.1.3. Simplified Acquisitions is the most flexible form of procurement. Simplified Acquisitions can only occur if the procurement expenditure does not exceed the WSU established threshold. A Simplified Acquisition affords WSU the ability to call upon qualified vendors, contractors, and individuals for a quote and to negotiate a final agreement.

2.2. RFP Committee Selection: Final evaluation and selection will be made by designated representatives of WSU who have been designated as potentially utilizing the goods and/or services solicited in this RFP, referred to collectively as the Procurement Negotiation Committee (PNC).

2.3. Appearance Before Committee: The PNC may award to the low Bidder without question or negotiation. The PNC reserves the right to request information from Bidders as needed. If information is requested, the PNC is not required to request the information of all Bidders. The PNC may require, as a condition of bidding, that Bidders be required to appear before the PNC to explain the Bidder's understanding and approach to the RFP and/or to respond to questions from the PNC concerning the Proposal. Meetings with and appearances before the PNC are not subject to the Kansas Open Meetings Act. Bidders are prohibited from electronically recording these meetings.

2.4. Pre-Proposal On-Site Visit: No Pre-Proposal conference is scheduled for this RFP

2.5. Pre-Proposal Questions: Questions requesting clarification of the RFP, if allowed, must be submitted in WRITING to the Procurement Officer by email prior the RFP Question Deadline indicated on the RFP Cover Page. Failure to notify the Procurement Officer of any conflicts or ambiguities in the RFP may result in items being resolved in the best interest of WSU. Any modification to this RFP as a result of Pre-Proposal Questions shall be made in writing by addendum and sent electronically to all Bidders who received the original request. Only written communications are binding.

2.6. Acceptance or Rejection: WSU reserves the right to accept or reject any or all Proposals or part of a Proposal; to waive any informalities or technicalities; clarify any ambiguities in this RFP; modify any criteria in this RFP; and unless otherwise specified, to accept any item in a Proposal.

2.7. Selection Criteria: Award shall be made in the best interest of WSU as determined by the PNC. WSU reserves the right to make an award based on any of the following factors and is not required to make the determination based solely on cost. Consideration will be given, but is not limited, to each of the following criteria:

1. Proposal cost [NOTE: Bidders are not to inflate prices in the initial Proposal as cost is a factor in determining who may receive an award or be invited to formal negotiations]
2. Any poor performance experienced by WSU with Bidder within the five (5) year period prior to Proposal.
3. Documented experience in providing the same products / services to third parties that are solicited in this RFP.
4. Product, service, and performance.
5. Equipment owned by Bidder to be used in providing requested services.
6. Qualified staff and/or subcontractors.
7. Adequacy and completeness of Proposal.
8. Compliance with the terms and conditions of the RFP; and
9. Response format as required by this RFP.
10. Bidder's anticipated ability to meet RFP requirements.

2.8 Proposal Disclosures:

- 2.8.1** In the event this is a Sealed Bid, at the time of closing, only the names of those who submitted Proposals shall be made public information. No price information will be released. Bid tab results will not be given to individuals over the telephone. Results may be obtained after contract finalization by obtaining a bid tabulation from the Office of Purchasing. Bid results can be obtained by sending a written request, referencing the Solicitation name and number to the following:

- 2.8.2** Copies of individual Proposals may be obtained under the Kansas Open Records Act (KORA), K.S.A. 45-215, *et seq.*, by submitting an Open Records Request at <https://openrecords.wichita.edu>. Once your request is received, you will be provided an estimate of the cost. Upon receipt of that amount, the documents will be transmitted to you electronically, except that no information in any Proposal file shall be released until a Contract has been executed or all Proposals have been rejected.

- 2.9 Retention of Proposals:** WSU reserves the right to destroy all Proposals if the RFP is withdrawn, the RFP does not result in an agreed Contract, or in accordance with Kansas law. Late Proposals will not be considered a valid Proposal and shall not be retained unless deemed necessary by WSU.

- 2.10 Award:** An RFP is not considered to be "awarded" until a Contract is executed between WSU and the Contractor. A Contract may be formed upon a Bidder's formal acceptance of WSU's notice of award where it is made clear that no other contractual document shall be presented subsequently for signature.

- 2.11 Notice of Award:** Generally, WSU will notify all Bidders of an award made contingent on a fully executed Contract between the Contractor and WSU. Bidders submitting Proposals that exceed twenty-five thousand dollars (\$25,000.00) over the term of the contract shall include a copy of a Tax Clearance Certification Form with their submittal. Failure to provide this information may be cause for rejection of a Bidder's bid or proposal.

A "Tax Clearance" is a comprehensive tax account review to determine and ensure that the account is compliant with all primary Kansas Tax Laws administered by the Kansas Department of Revenue (KDOR) Director of Taxation. Information pertaining to a Tax Clearance is subject to changes(s), which may arise as a result of a State Tax Audit, Federal Revenue Agent Report, or other lawful adjustment(s).

To obtain a Tax Clearance Certificate, you must:

- Go to <https://www.kdor.ks.gov/apps/taxclearance/Default.aspx> to request a Tax Clearance Certificate
- Return to the website the following working day to see if KBOR will issue the certificate
- If issued an official certificate, print it and attach it to your Proposal
- If denied a certificate, engage KDOR in a discussion about why a certificate was not issued

Bidders (and their subcontractors) are expected to submit a current Tax Clearance Certificate with every Proposal.

Please Note: Individual and business applications are available. For applications entered prior to 5:00 PM Monday through Friday, results typically will be available the following business day. Tax clearance results may be denied if the request includes incomplete or incorrect information.

Contractor certifies that, should it be awarded a contract by the State, Contractor will comply with all applicable federal and state laws, standards, orders, and regulations affecting a person’s participation and eligibility in any program or activity undertaken by the Contractor pursuant to the Contract. Bidders may be required to furnish information supporting the capability to comply with conditions for bidding and fulfill the contract if receiving an award of contract. Such information may include, but not be limited to, a list of similar size and type projects the Bidder has completed. If Bidder cannot meet this requirement, provide a written explanation as to why. Inability to meet this requirement is not necessarily grounds for disqualification and such determination will be made within the sole discretion of WSU.
- 4.2 Payment Terms:** Unless otherwise agreed to in writing by WSU and Bidder, pursuant to the Kansas Prompt Payment Act (K.S.A. 75-6403(b)), all payment terms are Net 30 days from the date the goods are delivered and finally accepted by WSU. If the 30th day falls on a weekend, legal holiday, or WSU holiday, WSU shall have until the next business day to make payment.
- 4.3 Bidder Contracts:** Bidder shall include an editable Word version copy of any proposed terms and conditions applicable to this purchase.
- 4.4 On-Site Inspection:** Failure to adequately inspect the premises shall not relieve the successful vendor from furnishing without additional cost to WSU any materials, equipment, supplies or labor that may be required to carry out the intent of this Request. Submission of a bid shall be construed as evidence that the vendor has made necessary examination, inspection, and investigation. Failure to properly inspect the site may result in rejection of the vendor's bid.
- 4.5 Materials and Workmanship:** Bidders shall perform all work and furnish all supplies and materials, machinery, equipment, facilities, and means, necessary to complete all the work required by this solicitation, within the time specified, in accordance with the provisions as specified.

Such warranty shall survive delivery and shall not be deemed waived either by reason of WSU's acceptance of or payment for such equipment, supplies, and/or services.

No equipment, supplies, and/or services received by WSU shall be deemed accepted until the University has had a reasonable opportunity to inspect said equipment, supplies, and/or services. All equipment, supplies, and/or services which do not comply with specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which right to any warranty of the Bidder upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.

- **4.6 Invoices:** Because the work requested will be performed at multiple locations and rates may vary, Bidder will provide separate invoices for each location serviced. Invoices shall be forwarded to the using department and must include the following:

- Date of Invoice
- WSU Employee name or department requesting service
- Date of completion of work;
- Purchase Order number and Contract number;

Contractor shall furnish figures at least thirty (30) days prior to expiration date to substantiate any claim for increase. Such information may include, but not be limited to, a list of similar size and type projects the Bidder has completed. (3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information. (4) The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other Contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
