GROUP #2: FILTERS: This group is to include a full line of air, oil, transmission, and fuel filters for gasoline and diesel applications. Includes cabin air filters where applicable. Transmission filters will include pan gasket and o-rings, if applicable.

GROUP #3: BRAKE SYSTEM PARTS (Including brake fluid): This group shall include the suppliers current catalog(s) for new or relined premium quality, NON-ASBESTOS brake linings (disc pads and brake shoes), hydraulic parts (repair kits/replacement wheel and caliper cylinders, slave cylinders, master cylinders, etc.), brake lines (both steel and braided) and brass fittings, brake drums and disc brake rotors, and miscellaneous brake system hardware such as springs, adjusters, retainers, cables, etc.

Acceptable brands include WAGNER, EIS, UNITED and AC DELCO.

GROUP #4: NEW AUTOMOTIVE PARTS: This group shall include the suppliers current lines of new units including starters, alternators, power brake and brake booster units, clutch disc and pressure plate assemblies, carburetors, distributors, master cylinders, water pumps, power steering pumps, fuel pumps, air conditioning compressors, etc.

Such parts shall be warranted as Lifetime or for a minimum of 90 days from date of installation as offered by the Contractor. Bidder to identify Lifetime warranted items.

Parts will be sold exchange. The State Agency will supply complete cores to the supplier within 60 days of installation of rebuilt units.

Acceptable brands include BLUE-CHIP, PARR, RAYLOC and AC DELCO.

GROUP #5: REMANUFACTURED AUTOMOTIVE PARTS: This group shall include the suppliers current lines of remanufactured units including starters, alternators, power brake and brake booster units, clutch disc and pressure plate assemblies, carburetors, distributors, master cylinders, water pumps, power steering pumps, fuel pumps, air conditioning compressors, etc.

Such parts shall be warranted as Lifetime or for a minimum of 90 days from date of installation as documented by the Agency. Bidder to identify Lifetime warranted items.

Parts will be sold exchange. The State Agency will supply complete cores to the supplier within 60 days of installation of rebuilt units.

Acceptable brands include BLUE-CHIP, PARR, RAYLOC and AC DELCO.

GROUP #6: REBUILT AUTOMOTIVE PARTS: This group shall include the suppliers current lines of rebuilt units including starters, alternators, power brake and brake booster units, clutch disc and pressure plate assemblies, carburetors, distributors, master cylinders, water pumps, power steering pumps, fuel pumps, air conditioning compressors, etc.

Such parts shall be warranted as Lifetime or for a minimum of 90 days from date of installation as offered by the Contractor. Bidder to identify Lifetime warranted items.

Parts will be sold exchange. The State Agency will supply complete cores to the supplier within 60 days of installation of rebuilt units.

Acceptable brands include BLUE-CHIP, PARR, RAYLOC and AC DELCO.

GROUP #7: IGNITION/ELECTRICAL PARTS (Including spark plugs, battery cables, bulbs, fuses, and flashers): This group shall also include the supplier's current lines of O.E.M. quality ignition wires, distributor parts (cap, rotor, etc.), relays, solenoids, regulators, sending units for oil and temperature gauges, switches, etc.

Acceptable brands include STANDARD, BLUE STREAK, ECHLIN and AC DELCO.

GROUP #8: CARBURETOR, FUEL INJECTOR AND FUEL SYSTEM PARTS (Including filters, fuel line hose, diesel fuel additive, and starting fluid): This group shall include the supplier's current lines of O.E.M. approved carburetor overhaul kits, choke thermostats, choke pulloffs/breaks, floats, new fuel pumps, throttle position sensors, miscellaneous hardware, carburetor cleaner (both aerosol and bulk quantity), etc.

Acceptable brands include TOMCO, HOLLEY, HYGRADE, ECHLIN and AC DELCO.

GROUP #9: ENGINE REBUILD PARTS: This group shall include the suppliers current lines of engine overhaul parts including piston rings, rod bearings, main bearings, camshaft bearings, pistons, connecting rods, pushrods, lifters, valves, rocker arms, timing chain and gears, oil pumps, and a complete line of related gaskets and gasket kits.

Acceptable brands include PERFECT CIRCLE, SEALED POWER, and NAPA (PERFECT CIRCLE).

GROUP #10: AUTOMOTIVE BELTS AND HOSES, AND COOLING SYSTEM PARTS (Including additives and heater hose): This group shall include the suppliers current lines of V and serpentine belts

for all applications, radiator hoses for all applications, thermostats, thermostatic valves, heater cores, heater/AC controls, fan clutches, etc.

Acceptable brands include GATES, DAYCO, NAPA (GATES) and AC DELCO.

GROUP #11: AUTOMOTIVE PAINT, THINNERS AND REDUCERS, BODY FILLER, ABRASIVES, AND MISCELLANEOUS AUTOBODY SUPPLIES: This group shall include the supplier's current lines of autobody repair and refinishing products suitable for a commercial body shop. Paint prices will include tinting to paint code formula. Vendor must provide training from factory representatives for this Group.

Acceptable brands include DUPONT, DITZLER, MARTIN SENOUR, PPG and LESONAL.

GROUP #12: DRIVE LINE PARTS AND AUTOMATIC TRANSMISSION OVERHAUL KITS (Including filter kits): This group shall include the suppliers current lines of O.E.M. automatic transmission rebuild kits and other repair/overhaul parts such as seals, universal joints, torque converters, etc., for which the supplier has a source.

Acceptable brands include ATP and NAPA (ATP), NATIONAL and AC DELCO.

GROUP #13: CHEMICALS, ADDITIVES, CLEANERS, ETC: This group shall include the supplier's current lines of automotive cleaners, additives, and adhesives; including aerosol penetrants, carburetor cleaner, electrical cleaner, fuel line dryer, car waxes, upholstery cleaner, adhesives (gasket, weatherstrip, etc.), hand cleaner, etc.

Acceptable brands include BERRYMAN-GUMOUT, PERMATEX and MACS.

GROUP #14: EXHAUST SYSTEM PARTS: This group shall include the supplier's current lines of exhaust pipes, mufflers, resonators, tailpipes, and associated clamps, hangers, gaskets and related parts.

Acceptable brands include WALKER and NAPA (WALKER).

GROUP #15: FRONT END AND SUSPENSION PARTS (Including shock absorbers): This group shall include the suppliers current O.E.M. replacement lines of repair parts including ball joints, tie rod ends, drag links, idler arms, bushings, king pins, struts and related parts.

Acceptable brands include MOOG and NAPA (PERFECT CIRCLE).

GROUP #16: VEHICLE BATTERIES: This group shall include the supplier's current lines of vehicle batteries.

GROUP #17: MECHANICS HAND TOOLS: This group shall include the supplier's current lines of sockets and wrenches, etc.

GROUP #18: DIAGONSTIC EQUIPMENT
