Introduction

Introduction

A coalition of representatives from University Support Staff (USS) and Unclassified Professional Staff (UPS) organizations from six Regent Universities in Kansas asked the Docking Institute of Public Affairs to conduct a survey of USS and UPS employees. The six universities included Emporia State University (ESU), Fort Hays State University (FHSU), Kansas State University (KSU), Pittsburg State University (PSU), Wichita State University (WSU), and the University of Kansas (KU).

The survey was conducted during spring 2022 using Qualtrics on-line survey software. Email addresses for USS and UPS employees of the six universities during the spring 2022 semester were provided to the Docking Institute. Invitations to participate in the survey (including a link to an online survey) were emailed to all USS and UPS employees listed. This research project was submitted to the FHSU Institutional Review Board (IRB) for review. Survey questions were developed in collaboration with the coalition of representatives from the USS and UPS organizations. The survey instrument can be found in Appendix E.

This report shows results from WSU USS survey respondents (WSU USS Employees) and all the USS respondents (Statewide USS Employees).

Methods

Email requests were sent to 9,190 USS and UPS employees at the six universities. The Institute received 4,053 completed interviews, a response rate of 44.1%. Since the lists provided by each university included all USS and UPS employees, no margin of error is calculated. The initial email was sent April 6, 2022. Follow-up email requests to non-responding employees were sent on April 14th, April 21st, and April 26th.

Regarding Wichita State University, emails were sent to 1,652 USS and UPS employees. The Institute received 619 completed surveys from 129 USS employees and 490 UPS employees.

Data were downloaded into SPSS software for analysis. Email addresses and the names of employees were deleted from the SPSS file before analysis began. Only grouped data were analyzed, and no attempt was made to link individual responses to individual respondents.

Summary

This report is for Wichita State University. Responses to each survey question are provided for all (Statewide) USS Employees and WSU USS Employees. Responses are shown in tables and figures.

The Docking Institute's independent analysis shows the following:

- A larger percentage of Statewide USS Employees than WSU USS Employees has been employed at their university for less than 5 years.
- When asked to rank (from first to fourth) the importance of various items, “amount of pay or compensation” was ranked first among most respondents (82.3% of Statewide USS Employees and 85% of WSU USS Employees). The item with the next highest percentages ranking it first is “recognition for work performed” at 11.5% among Statewide USS Employees and 7.5% among WSU USS Employees. Similar percentages of Statewide USS Employees (38.1%) and WSU USS Employees (38.3%) ranked “recognition for work performed” second. A smaller percentage of WSU USS Employees (35.8%) than Statewide USS Employees (36.9%) ranked “additional incentives or perks” second.
- Regarding work appreciation, most respondents report that their “work is greatly appreciated” by their immediate supervisors and co-workers. A larger percentage of WSU USS Employees (58.1%) than Statewide USS Employees (43.5%) report that their “work is greatly appreciated” by department heads.
- Regarding work morale, a larger percentage of WSU USS Employees (20.9%) than Statewide USS Employees (16.8%) rate their morale as “extremely positive.” A smaller percentage of WSU USS Employees (45.7%) than Statewide USS Employees (51%) report that their morale has worsened “compared to two years ago.” When asked why their morale has worsened, 66.1% of WSU USS Employees and 43.6% of Statewide USS Employees report that “salary increases haven’t kept up with costs.” Of those reporting that their morale improved, when asked why it had improved, 41.5% of WSU USS Employees and 38.4% of Statewide USS Employees report that “the morale of those around me has improved.”
- A larger percentage of Statewide USS Employees (31.9%) than WSU USS Employees (27.2%) report that their wages are *at least* “somewhat reasonable.” A larger percentage of WSU USS Employees (69%) than Statewide USS Employees (60.8%) report that their wages are at least “somewhat unreasonable.”
- A smaller percentage of WSU USS Employees (33.3%) than Statewide USS Employees (41.6%) report having a second job. Of those without second jobs, 51.8% of WSU USS Employees and 48.3% of Statewide USS Employees report “considering taking a

second job.” Of those with second jobs or considering taking second jobs, 49.4% and 45.7% (WSU and Statewide, respectively) report that a second job will help them “provide better for their families.”

- Of those with second jobs or considering taking second jobs, more than 60% of both groups report that university employment provides health insurance benefits and stable work; and that they are working at the university to maximize their retirement benefits.
- Regarding job satisfaction, 85% of WSU USS Employees and 80% of Statewide USS Employees “agree” or “strongly agree” that they “enjoy the things they do at work.” More than 70% of both groups “agree” or “strongly agree” that they are “sufficiently trained to complete their duties,” while more than 65% have “generally positive work environments.”
- Regarding important incentives or opportunities, majorities of WSU USS and State USS Employees consider “improved healthcare benefits” and “on-the-job training” as “extremely important” or “very important.”
- When asked about the value of health insurance, a higher percentage of WSU USS Employees (36.5%) rate it as “fair value at high cost” than Statewide USS Employees (34.7%). A higher percentage of Statewide USS Employees (36%) than WSU USS Employees (29.4%) rate it as “fair value and fair cost.”
- When asked how budget limitations have impacted their jobs, more than 60% of both groups report that their “duties have increased” and the “quantity of work they perform has increased.”
- A larger percentage of Statewide USS Employees (40.3%) than WSU USS Employees (36.4%) report looking for a different job within the past year or so. Of those looking for a different job, 56.7% of Statewide USS Employees and 50% of WSU USS Employees report that they are interested in other on-campus employment, and in response to a separate question, 90.9% and 97.8% (Statewide and WSU, respectively) report being interested in off-campus employment.

Findings

This section of the report provides percentage responses to each question in the survey. Questions were grouped by theme and do not necessarily follow the flow of the survey questions (see Appendix E). The tables and figures below show responses for Statewide USS Employees and WSU USS Employees.

Table 1 shows that a larger percentage of Statewide USS Employees than WSU USS Employees has been employed at their university for less than 5 years.

Table 1: Years of Employment

	Statewide USS Employees		WSU USS Employees

Item Importance and Appreciation of Work Performance

Figure 1 (next page) shows responses to four items. Respondents were asked to rank each according to importance from first to fourth. The items were:

- Recognition for the work you perform
- Amount of pay or compensation
- Additional incentives or perks
- Professional development opportunities

The figure shows that “amount of pay or compensation” was ranked first among most respondents (82.3% of Statewide USS Employees and 85% of WSU USS Employees). The item with the next highest percentages ranking it first is “recognition for work performed” at 11.5% among Statewide USS Employees and 7.5% among WSU USS Employees. Similar percentages of Statewide USS Employees (38.1%) and WSU USS Employees (38.3%) ranked “recognition for work performed” second. A smaller percentage of WSU USS Employees (35.8%) than Statewide USS Employees (36.9%) ranked “additional incentives or perks” second.

Figure 1: Item Ranking

Respondents were asked “if there is another work-related item that you consider to be of high importance.” Table 2 shows all comments collapsed into 13 categories, ranked by Statewide USS Employees. (NOTE: Some respondents provided more than one item. The categories below show the first item listed.) Appendix A shows all responses from WSU USS Employees.

Figure 2 (next page) shows responses to statements addressing the work performance appreciation by various groups and individuals. The groups and individuals include co-workers, immediate supervisors, department heads, and university administrators. The statements include “my work is unappreciated,” “my work is moderately appreciated,” “my work is greatly appreciated,” and “this item does not apply to me.”

Figure 2 shows that most respondents report that their “work is greatly appreciated” by their immediate supervisors and co-workers. A larger percentage of WSU USS Employees (58.1%) than Statewide USS Employees (43.5%) report that their “work is greatly appreciated” by department heads.

Figure 2: Appreciation of Work Performed

Work Morale

This section of the report addresses work morale. Figure 3 shows responses to the question “generally speaking, how do you rate your morale at work?” Answer options ranged from “extremely positive” to “extremely negative.”

Figure 3 shows that a larger percentage of WSU USS Employees (20.9%) than Statewide USS Employees (16.8%) rate their morale as “extremely positive.” The single largest percentages of both groups rate their morale as “somewhat positive.”

Figure 3: Morale at Work

Figure 4 shows that a smaller percentage of WSU USS Employees (45.7%) than Statewide USS Employees (51%) report that their morale has worsened “compared to two years ago.”

Figure 4: Morale Compared to Two Years Ago

Respondents indicating that their morale has worsened compared to two years ago (represented by the blue bars in the previous figure) were asked follow-up questions about why morale has worsened. Figure 5 shows that 66.1% of WSU USS Employees and 43.6% of Statewide USS Employees report that “salary increases haven’t kept up with costs.” Figure 6 (next page) shows that, of those reporting that their morale has improved compared to two years ago, 41.5% of WSU USS Employees and 38.4% of Statewide USS Employees report as a reason for this improvement that “the morale of those around me has improved.”

Figure 5: Why Morale Has Worsened

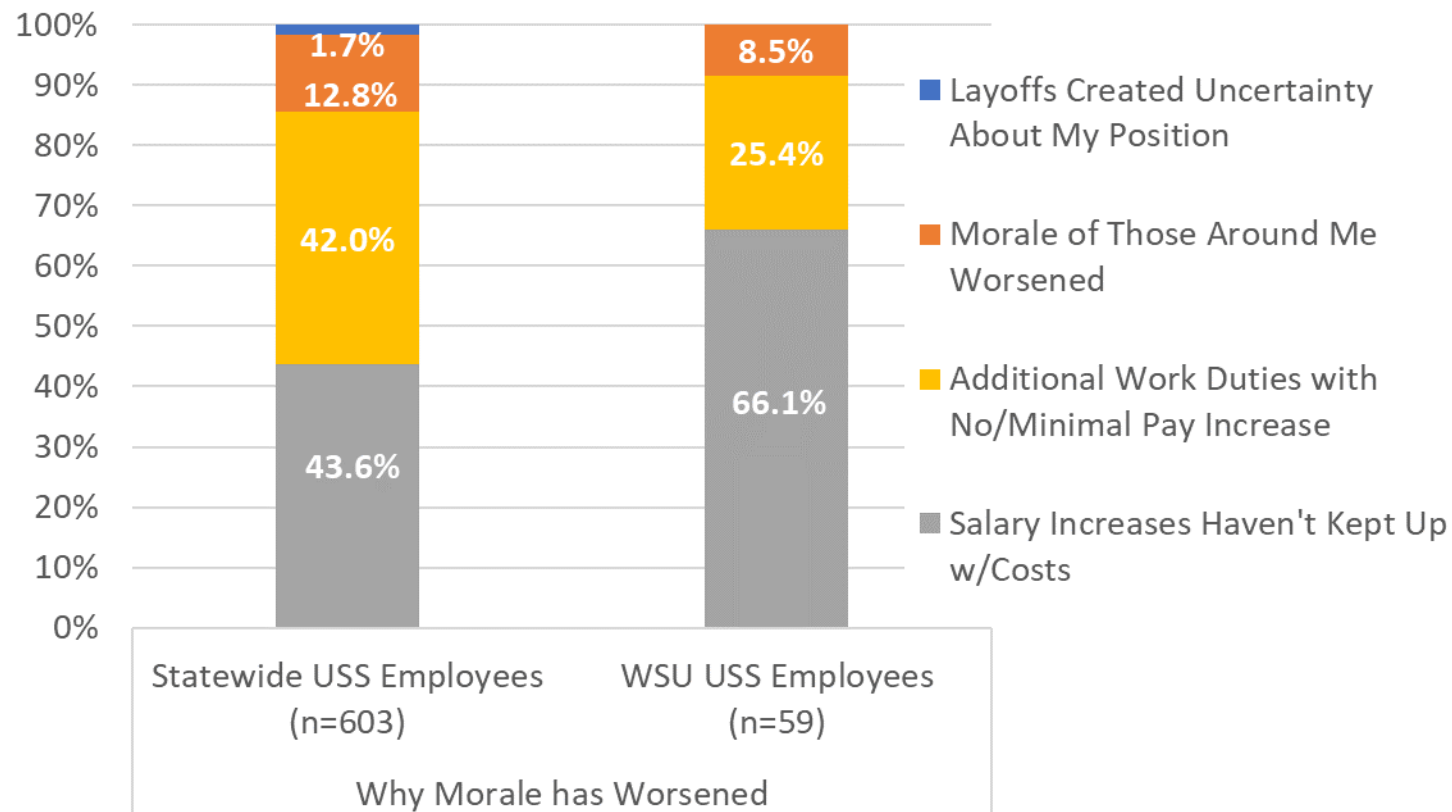

Figure 6: Why Morale has Improved or Remained the Same

Wages and Second Job

This section of the report addresses wages and a second job (if workers have a second job and/or if they have considered one).

Figure 7 (next page) shows responses to the question “how do you rate your salary or hourly wage with regard to the work you currently perform?” Answer options ranged from “extremely reasonable” to “extremely unreasonable.” The figure shows that larger percentage of Statewide USS Employees (31.9%) than WSU USS Employees (27.2%) report that their wages are at least “somewhat reasonable.” A larger percentage of WSU USS Employees (69%) than Statewide USS Employees (60.8%) report that their wages are at least “somewhat unreasonable.”

Figure 7: Perception of Current Wages

Figure 8 shows that a smaller percentage of WSU USS Employees (33.3%) than Statewide USS Employees (41.6%) report having a second job. Of those without second jobs, 51.8% of WSU USS Employees and 48.3% of Statewide USS Employees report “considering taking a second job.”

Figure 8: Have or Consider a Second Job or Other Income

Respondents with a second job or considering a second job (“yes” answers shown in Figure 8) were asked the question “of the following, which BEST describes the reason you have taken a second job or are considering a second job?”

Answer options included to “be able to better provide for family,” “help to pay down debts/bills,” and “be able to have additional discretionary income (i.e., to spend on vacations, upgraded car, etc.).” Figure 9 (next page) shows that of those with second jobs or considering taking second jobs, 49.4% and 45.7% (WSU and Statewide, respectively) report that a second job will help them “provide better for their families.”

Figure 9: Why Have/Consider a Second Job or Other Income

Respondents with a second job or considering a second job (“yes” answers shown in Figure 8) were asked the question “Regarding your job with the University, which of the following reasons have encouraged you to *remain employed* there?”

Answer options included the following:

- I earn a better salary than a comparable job in the private sector
- The stability in employment
- I need the health insurance
- I need access to the education discounts offered (i.e., tuition waivers) for self/dependents
- I am close to retirement age
- I want to continue working here to receive maximum retirement benefits
- I enjoy the work so much that I remain

Figure 10 (next page) shows that of those with second jobs or considering taking second jobs, of those with second jobs or considering taking second jobs, more than 60% of both groups report that university employment provides health insurance benefits and stable work; and that they are working at the university to maximize their retirement benefits.

Figure 10: Reasons for Continued University Employment

Job Satisfaction, Incentives, and Health Insurance

This section of the report addresses job satisfaction, incentives or opportunities that might be of interest to employees, and opinions about health insurance.

Regarding job satisfaction, respondents were presented with several statements and asked to respond to each with answer options ranging from “strongly agree” to “strongly disagree.” The statements included the following:

- I enjoy the things I do at work
- I have a generally positive work environment
- I am sufficiently trained to complete my required job duties
- I have a reasonable workload
- I have a fair chance of advancement in my job
- I have a fair chance for future salary or wage increases

Figures 11a and 11b (following pages) show responses to the statements above. Figure 11a shows that 85% of WSU USS Employees and 80% of Statewide USS Employees “agree” or “strongly agree” that they “enjoy the things they do at work.” More than 70% of both groups “agree” or “strongly agree” that they are “sufficiently trained to complete their duties,” while more than 65% have “generally positive work environments.” Figure 11b shows that more than half of WSU USS Employees “agree” or “strongly agree” that their workloads are “reasonable.”

Figure 11a: Job Satisfaction

Figure 11b: Job Satisfaction (Continued)

Respondents were asked to provide another item or issue that they feel strongly about in a text box. Table 3 shows comments collapsed into 15 categories, ordered by Statewide USS Employees. (NOTE: Some respondents provided more than one item or issue. The categories below show the first item/issue listed.) Appendix B shows all responses from WSU USS Employees.

Figures 12a and 12b show responses to the series of statements regarding incentives or opportunities that might be of interest to employees. Respondents were asked to respond to each with answer options ranging from “extremely important” to “not at all important.” The incentives or opportunities are listed below:

- Flextime or flexible hours
- On-the-job training
- Childcare assistance (such as financial assistance or care at work)
- Improved healthcare benefits
- Tuition assistance for dependents attending another university
- Tuition assistance for dependents attending a nearby community college or technical school

Figures 12a and 12b show responses to the statements above. Figure 12a (next page) shows that more than half of WSU USS and State USS Employees consider “flextime or flexible hours,” “improved healthcare benefits,” and “on-the-job training” as at least “very important.”

The figures shows that majorities of WSU USS and State USS Employees consider “improved healthcare benefits” and “on-the-job training” as “extremely important” or “very important.”

Figure 12a: Incentives or Opportunities

Figure 12b: Incentives or Opportunities (Continued)

Respondents were asked to provide another incentive or opportunity in a text box. Table 4 shows comments collapsed into 14 categories, ranked by Statewide USS Employees. (NOTE: Some respondents provided more than one item. The categories below show the first item listed.) Appendix C shows all responses from WSU USS Employees.

Total	257	100	23	100

Respondents were next asked to respond to the statement “with regard to your health insurance through the State of Kansas, which of the following statements MOST applies to you.” The following items were provided:

- I'm receiving high value at high cost
- I'm receiving fair value at high cost
- I'm receiving low value at high cost
- I'm receiving fair values at fair cost
- I'm not receiving fair value at a fair cost
- I don't use the State of Kansas Health Insurance

Figure 13 shows that a higher percentage of WSU USS Employees (36.5%) rate it as “fair value at high cost” than Statewide USS Employees (34.7%). A higher percentage of Statewide USS Employees (36%) than WSU USS Employees (29.4%) rate it as “fair value and fair cost.”

Figure 13: Opinions about Health Insurance

Budget Limitation Impacts

This section of the report addresses opinions about the impacts of budget limitations. Respondents were presented with the following question and statement: “Have budget limitations impacted your job? If so, please mark all the areas below that have been impacted by budget limitations.”

Respondents were then presented with a table containing the items below and asked to select “yes” or “no” to each.

- My amount or quantity of my work has increased
- My duties have increased
- I now complete more advanced level duties/tasks
- Our staff has been reduced because of unfilled positions
- Our staff has been reduced because we are unable to fill open positions at current salary/wage levels
- Resources and supplies have been reduced
- None of the above

Figure 14 (next page) shows that more than 60% of both groups report that their “duties have increased” and the “quantity of work they perform has increased.”

Figure 14: Opinions about Budget Limitation Impacts

Different Job

Respondents were asked “are you currently looking for a different job or have you looked for a new job in the past year or so?”

Figure 15 below shows that a larger percentage of Statewide USS Employees (40.3%) than WSU USS Employees (36.4%) report looking for a different job within the past year or so.

Figure 15: Looking for Different Job

Respondents who answered “yes” to the question “are you currently looking for a different job or have you looked for a new job in the past year or so” were asked two questions: “are you looking for an on-campus job” and “are you looking for an off-campus job.”

Figure 16 shows that, of those looking for a different job, 56.7% of Statewide USS Employees and 50% of WSU USS Employees report that they are interested in other on-campus employment, and in response to a separate question, 90.9% and 97.8% (Statewide and WSU, respectively) report being interested in off-campus employment.

Figure 16: Looking for On- and/or Off-Campus Job

Finally, respondents were asked if they had any other comments they would like to add. Table 5 shows responses collapsed into 15 categories, ranked by Statewide USS Employees. (NOTE: Many respondents provided more than one comment. The categories below show the first listed.) Appendix D shows all responses from WSU USS Employees.

Email Invitation – 2022 Regent Universities USS-UPS Survey

Hello \${m://FirstName},

As you may know, the Docking Institute of Public Affairs has been asked by University Support Staff (USS) and Unclassified Professional Staff (UPS) representatives from six Regent Universities in Kansas to conduct a short survey of USS and UPS employees. This online survey should take about 10 minutes complete.

The purpose of this survey is to measure USS and UPS employee morale with regard to recognition and appreciation, compensation, workload, job satisfaction, desired incentives, training, budget limitations, and other issues.

A link is provided below. I ask that you complete this survey within a week, so that I may begin data analysis soon. My analysis, and subsequent report(s), will be of grouped data only. Responses from individuals will not be reported nor linked to individual respondents. Your confidentiality is assured.

This survey is also completely voluntary. You are not required to begin nor complete the survey, and you may exit at any time. I will not report who did or did not participate. The survey is for respondents 18 years of age and older. If you are under the age of 18, please do not begin.

If you have any questions, please contact me at 785-628-5563 or mswalker@fhsu.edu.

INTRODUCTION

The Docking Institute of Public Affairs supports the practice of protecting human subjects participating in research. You are being asked to participate in a survey. It is your choice whether or not to participate. The following information is provided to help you decide if you would like to participate. You may refuse to begin this survey and not participate in this study. Even if you agree to participate, you are free to withdraw at any time. Withdrawing from this study will result in no negative consequences.

PURPOSE OF THE SURVEY

The purpose of the survey is to provide information which may be used for university policy development or modification. Below are some of the topics we address in this survey:

- Work satisfaction and morale.
- Perceptions of supervisor appreciation.
- Perceptions about wages and benefits.
- Whether respondents have a second job, and why if so.
- Desired incentives, opportunities, and benefits.
- Opinions about State of Kansas health insurance.

PROCEDURES

You are being asked to complete a survey in Qualtrics. We anticipate that completing the survey will take approximately 10 minutes.

RISKS

We do not anticipate any risk to participants. However, if you feel distressed during or after completing the survey, please reach out to your university health center or call FHSU Health and Wellness Services for emotional support:

BENEFITS

Information gathered may inform university policy regarding employment and benefit faculty and staff at the six universities.

PARTICIPANT CONFIDENTIALITY

The Docking Institute of Public Affairs has a long history of successful data gathering and protecting the identities of survey participants. We have never experienced a data breach, and we follow industry best practices when collecting and storing data. Information gathered will be analyzed at the group level only. Individual survey responses will not be linked to any individual survey respondents, unless (a) it is required by law or university policy, or (b) you give written permission. The former has never been required of the Docking Institute, and the latter has never been requested by the Docking Institute.

WITHDRAWAL

You may stop answering questions at any time without penalty. Any information you have provided prior to withdrawal will be destroyed upon request. Your decision to stop your participation will not affect your employment status.

If you provide information now but change your mind later and wish to not participate, you may request to have your data removed from the data file. Information you provide will be deleted unless the request is made after the information has been deidentified. You will not be penalized in any way for changing your mind.

VOLUNTARY PARTICIPATION

You are not required to agree to this Consent and Authorization form, and you may refuse to do so without affecting your employment status nor any services currently enjoyed at your university.
