1. Go to https://app.joinhandshake.com/login

2. Click the drop-down, located below the "**Students & Alumni"** option and type in the name of your school.

3.  *If your school uses single-sign-on, do not click the blue box with your school's name* — click the link **sign in with your email address** to enter your email address associated with your Handshake account.

*Enter your* email address and click the blue button **Next**.

4. Handshake will recognize the email address in the system — click the blue button **Get Started** to proceed.

5. An email is sent to your inbox to confirm your account — go to your inbox and locate the corresponding email, then click on the link **Set My Password**.

**Handshake**

Hello Chloe,

We have received your request to set your password.

Please click the following link to set your password: Set My Password

If you did not request to set your password, please disregard this email.

Thank you,
The Handshake Team

*If you're having issues receiving the confirmation email, refer to* Troubleshooting Missing Confirmation Email.

6. Once confirmed, you'll be prompted to create a password. Enter the password in the provided spaces, then click the blue button **Next**.

**Tip**: the password will need to be a minimum of 8 characters and include a combination of at least 2 of the following: letters, numbers, and special characters.

**Get the job done** .

**Students**
Launch the next step in your career.

**Employers**
Hire the next generation of talent.

**Career Centers**
Bring the best jobs to your students.
