# Handshake

The screenshot shows the Handshake job search interface. The top navigation bar includes 'handshake', a search bar, and tabs for 'Jobs', 'Events', 'Q&A', 'Students', and 'Careers'. The 'Jobs' tab is active, showing 'Job Search' and 'Applications' (with a notification badge).

The search filters on the left include:

- Job Title: Employers, or Keywords
- City, State, Zip Code, or Address
- Job Type: Full-Time Job, Part-Time, Internship, On-Campus, Filters
- Job Type: Internship, Co-Op, On-Campus, Job, + More
- Full-Time, Part-Time
- Paid roles only
- Work study
- Interviewing on campus
- Employer Preferences: All employer preferences match
- Work Authorization** (highlighted in red): Will sponsor or doesn't require US work visa, Accepts OPT/CPT
- Industry: Add industries...
- Suggestions: K-12 Education, Higher Education, Internet & Software, Healthcare
- Clear

The job listing for Oracle is titled 'Software Engineer/Applications Engineer'. It includes details such as 'No location', 'Full-Time Job', '25,000+ employees', 'Paid', and 'No on-campus interviews'. A star icon is visible in the top right corner.

A warning message states: 'Applications close on March 30th, 2019 at 9:00 pm' with an 'Apply Externally' button. Below this, a note says: 'Your school year does not match what is requested for this job. If this information is incorrect, please update it here.'

The 'Job Description' section contains the following text: '\*\*Please note that these roles will have start dates on or after June 1, 2019.\*\* This requisition is for product development roles in both Software Engineering and Applications Engineering capacities. **Software Engineers** will develop, troubleshoot, and debug software programs for databases, applications, tools, networks, and more. As an **Applications Engineer**, you will analyze, develop, and debug software programs for commercial or end user applications. To be considered for these positions, you must possess the Objective Minimum Qualifications (OMQs) [See More](#)'

The 'Employer Preferences' section lists: 'You don't match some of this employer's preferences'. The preferences are: 'Majors' (minus icon), 'GPA' (plus icon), 'School Year' (minus icon), and **U.S. Work Authorization** (plus icon, highlighted in red). The description for U.S. Work Authorization is: 'Employer will sponsor a work visa and accepts OPT/CPT.'

At the bottom, there is a 'Questions & Answers' section with a notification badge.

Get Started

If you want to live and work in the United States, one employer must become your visa sponsor and file work visa or [green card](#) petition on your behalf. The most common temporary work visas are [H1B Visa](#), [H2B Visa](#), [TN Visa](#), [L Visa](#), [O1 Visa](#) and [R1 Visa](#).

Your first step is to [create free career profile](#) and upload resume. Then our smart engine will start matching your skills and background to U.S. employers.

You can also review [annual visa reports](#) or search [employer database](#) or [visa job database](#) to find employers who have sponsored your skills or occupation before, and then contact them directly.

# Importance of Networking

---

- Toughest part of the job search
- Be prepared at all times
  - Never know who you may run into
  - Crazy examples of students getting jobs?
- Networking ideas:
  - [Career Development Center events](#)
  - Young Professionals of Wichita
  - Volunteering
  - Campus organizations
  - Professional organizations
  - Wichita events

# Defining a Target – People Resources

---

- Friends
- Family
- Friends of family
- Friends of friends
- Professors
- Academic Advisors
- Career Development Center events
- Alumni
- People you encounter
- People doing the work you want to do

# Staying Motivated

---

- It takes time to find a job.
- Rejection – don't take it personally.

# Bringing the Job Search Together

---

- Identify your skills, interests and values.
- Identify organizations and jobs of interest.
- Create targeted resumes and cover letters.
- Utilize social media
- Keep talking and building your network.
- Continue to build skills.
- Prepare for your interviews.
- Keep applying and reaching out to others.
- Repeat as necessary!
