IT'S OKAY TO NOT BE OKAY

BUT IT'S NOT OKAY TO STAY THAT WAY.

PARKING ON CAMPUS

To park on campus, you will need to purchase an ePermit through your myWSU portal. Green or Green-and-Yellow-Striped lots are designated student parking lots. Students must have an ePermit to park on campus from 7am to 5pm when school is in session. The parking lot in front of The Suites and in front of The Flats are both Green lots. Do not park in Yellow lots or any Red parking spots on campus or you will receive a large parking ticket!

Please visit wichita.edu/parking for more information. Students parking on campus are required to have an ePermit, which is a virtual parking permit where your license plate serves as your permit. Student ePermits are $150 for the year or $75 for the semester. A student can register up to 5 vehicles on a single ePermit, but only one vehicle can be parked on campus at any given time.

Visitors to campus may park during the enforcement period (7 a.m.-5 p.m. on weekdays when classes are in session) without an ePermit for 3 calendar days during each semester. On your fourth visit to campus during a semester, you'll need to purchase an ePermit online. Visitors may park in lots with green, yellow or yellow-and-green-striped signage (including motorcycle areas). They may not park in red parking lots.
